

Today

NASH presents a New and Finer Motor Car

New Twin Ignition Motor New Salon Bodies

"The three new Nash '400' Series, which are being introduced everywhere today, achieve the ambition of my manufacturing career.

"They represent an entirely new type of motor car, priced moderately, but offering you all the beauty and quality and performance heretofore exclusive to very expensive automobiles.

"To create such a car we had to develop an entirely new type of design and invest over \$2,500,000 in dies and machinery alone.

"Both the Salon bodies and the high compression motors which power these new models exemplify the most radically modern advancement in body craftsmanship and engineering.

"Naturally space precludes the full listing of all features but I do want to draw your attention to a number of the outstanding attractions such as:—

"—Twin ignition, high compression, Bohn-alite aluminum alloy pistons with Invar-

struts, 7-bearing crankshaft with hollowed crankpins, Bijur centralized chassis lubrication, Houdaille and Lovejoy shock absorbers, Biflex-Nash bumpers and bumperettes, chrome plating over nickel for all exterior metal ware, double-drop frame, one-piece Salon fenders and longer wheelbase lengths.

"This new-type engineering of the '400' motors makes them by far the best performing cars I have ever built.

"I don't think anyone will ever want to use all the speed and power they deliver.

"Equipment is absolutely complete at the factory list price and you need buy no extras except a spare tire.

"If my judgment is worth anything you will find it well worth while today to examine this new automobile development with the greatest care."

MELY BLOWS
WIN FOR STARS

Shellenback Allows
Ducks Five Hits

Run by Johnny Couch
Produces Marker

Twombly Drives in
Two Sheik Runs

BY BRAVEN DYER

Shellenback had one of his days at Wrigley Field yesterday and as a result the Hollywood Stars made it two in a row over Portland. The score was 4 to 1, and the veteran spitball hurler would have had a shut-out but for Johnny Couch's home run into the center-field bleachers in the third frame. This same Couch pitched a nice game for the Ducks, but the Stars were win and win they did by a timely pinch blows supplied by Babe Twombly, Johnny and "Shelly" himself. The victory naturally pleased Lane and Skipper Viti, as Stars need every triumph to stay in the lead. However, Bill Couch wasn't exactly smiling, for these Sassy Seals beat the Sacramento Solons and Hollywood therefore can't gain any ground on the league leaders. Viti's boys can hit runners from now to sundown but it won't do 'em much good unless somebody can get a full out of San Fran-

NOT OUT OF BOLE
Shellenback allowed the Ducks to score and was in hot water. This was in the seventh inning, however, thus Hollywood was leading, 3 to 1. The game opened with a sharp sin-

DECATHLON FINALS TODAY

Jim Stewart Favored to Cop First Place in Olympic
Tryouts at ColiseumBY FRANK ROCHE
If consistency and past performances mean anything Jim Stewart,
lanky athletic marvel from Texas, should romp off with the honors in
the final five events of the Southwest Olympic decathlon trials which
will be staged at the Coliseum this afternoon.BERT COLE
IS TRADED
TO INDIANSPortland Swaps Pitcher
and Outfielder to Suds for
Jack KnightBert Cole, southpaw pitcher of
the Portland club, and an un-
named outfielder, were yesterday
traded to the Seattle Indians in
exchange for Jack Knight, right-
handed chucker. The swap was an-
nounced by Tom Turner and Bill
Klepper, respective presidents of the
two clubs.Cole was the leading pitcher of
the Coast League two years ago.
He is said to have been dissatisfied
as a Portland pitcher. Turner will
be the outfielder Sunday. Cole
and Knight will swap places to-
morrow, the two changing uniforms
as soon as they can make the
trip to their respective posts.AMARILLO SIGNS CLIFF BOYD
AMARILLO (Tex.) June 20. (AP)—
Cliff Boyd, pitcher, at one time with
Seattle in the Pacific Coast League,
has been signed by the Amarillo
club of the Western League.time allowances have expired,
thus they are out of the run-
ning. The steamer Malolo re-
portedly sighted the Wotona
early this morning about eighty
miles off the island of Oahu.
The Malolo has not been re-
ported.The racing yachtsmen are dis-
cussing staging a race around the
island of Oahu, or to other islands
or back to California, but nothing
has been definitely decided.TEVA DECLARED WINNER

W. Stone of the San Diego Yacht
Club, skipper of the yawl Teva, will
be formally awarded the Sir Thom-
as Lipton Cup for making the best
corrected time from Newport Har-
bor, Cal., to Honolulu in the sev-
enth annual yacht race. The tro-
phy presentation will be made at a
luncheon held Thursday for all the
yacht-race participants.The Malolo and the Wotona
are still at sea tonight. Their

GORCHAKOFF ADVANCES

WILMINGTON (Del.) June 20.—
Ben Gorchakoff, Los Angeles, and
Tamio Abe, Japan, advanced to the
quarter-final round of the Delaware
state tennis championship this af-
ternoon by virtue of a three-set vic-
tory over Sam Fitch and HaroldKey, Tex. 4-6, 8-6, 6-4, on a third-
round doubles match. Wilmer Jil-
son and Berkley Bell, Texas, entered
the third round of the doubles
eliminating Maurice Bayon and
Leonard Chamberlain, New Or-
leans, 6-3, 5-7, 8-6.BULLDOG FACES
WILDCAT IN GOMiddleweight Champ Meets
Leading ChallengerAce and Mickey in Battle at
Chicago Ball ParkPromoter Expects Record
Attendance at TitleBY CHARLES W. DUNKLEY
Associated Press Sports Writer
CHICAGO, June 20. (AP)—The bul-
dog and the wildcat of the ring—
Mickey Walker, defending world's
middleweight champion, and
Ace Hudkins, the challenger—
will battle for the title here
tonight in a fight which will be the
most sensational middleweight
engagement since the stir-
ring encounter between Billy
Papke and Stanley
Ketchel twenty years
ago.Walker and Hudkins are
scheduled to fight ten rounds in
Comiskey Park, the home of the
White Sox, to a judge's de-
cision with Walker's crown as the
prize. The bout will be under
the direction of Promoter Jim
Mullen. If weather conditions
are favorable, Mullen anticipates
a gate of \$100,000 to \$200,000,
a record for the middleweight di-
vision, with an attendance of
20,000 to 25,000.DEFENSE CROWN
The fight will be Walker's first
real defense of the title since he
acquired the championship from the
late Tiger Flowers here a year and
a half ago. Although Walker is a
7-to-5 favorite in the wagering
general opinion is that he must dis-
pose of the Nebraska Wildcat with-
in four or five rounds or find him-
self subjected to a lacing and per-
haps a knockout. Endurance is Hud-
kins' chief asset and if he survives
the storm of leather the first half
of the bout, he may make the sit-
uation very unpleasant for the New
Jersey bulldog. Hudkins is con-
fident of defeating the middleweight
titleholder.Despite the betting odds and the
opinion of boxing authorities, Hud-
kins is confident of defeating the
middleweight titleholder. He prom-
ised today to tear away Walker
from the start, predicting he would
win him between the sixth and
ninth rounds.

Dave Martin Tackles Lester Coleman in California Invitational Feature Today

FAVORITES WIN TITLE TOURNEY

Fay Coleman Faces Crowell Over Culver Course

Only Six Default Out of 176 Golfers Entered

Interest at High Pitch in Championship Flight

BY EDWARD LAWRENCE

Dave Martin of Rio Hondo and Lester Coleman of California will clash today in the feature second-round match of the California Country Club Invitational tournament.

Martin won his first match yesterday from Harry Elchberger, 4 and 2, while Coleman won from Harry Elchberger, 4 and 2.

Few upsets were registered in the championship flight, and only two matches went to extra holes. Dick Smith furnished something of a surprise by defeating Jack Mackey, youthful Los Angeles Country Club star, 3 and 2. In the extra-hole affairs, Web Hansen, U.C.L.A. golfer, defeated Bruce Ford Bundy, 1 up, on the nineteenth and Bill Crowell won from G. M. Buck, 1 up, on the twentieth. Crowell faces Fay Coleman, Southern California amateur champion, today.

Some fine golf was played yesterday with only six defaults out of the 176 playing. Interest is at a high pitch in the championship flight with many of a half-dozen golfers capable of winning.

Yesterday's results were given out by A. H. Painter as follows:

CHAMPIONSHIP FLIGHT, 1:30 P.M.

Harry Elchberger defeated Harry Elchberger, 4 and 2.

BE IT EVER SO DUSTY, THERE'S NO PLACE LIKE HOME

So mused Dudley Lee as he beat "Bevo" Le Beau's throw to the plate in the fifth inning of yesterday's game with Portland. Tomblay had singled off Barbee's glove, sending the Star shortstop all the way home from second. Photo shows Tony Rego putting the ball on Lee, but not until Dud had slid into the plate. Umpire Casey is at the right, with Mickey Heath on the left.

Robertson and Gunn Shine in Southern Open

CLUB, DALLAS (Tex.) June 20. (P) — Fifteen matches ended as expected today and Emmett Spicer, Jr., of Memphis, Tenn., present Gulf States champion, and former southern champion, was eliminated in the only upset of the day, when the thirty-two amateurs who qualified yesterday, began fighting it out in match play for the southern amateur golf title.

Young Spicer was upset by Gibson Payne of the Dallas Country Club, who won his first big match. The play ended only at the eighteenth hole where Spicer got into a trap and made a poor recovery.

The stellar performances of the day, however, were those by Wats Gunn, the famous Atlanta (Ga.) playmate of Bobby Jones, and L. R. Robertson of Dallas, who started the field and spectators yesterday by clinching yesterday's honors with a brilliant 72.

HOLLYWOOD WINS OVER PORTLAND AGAIN, 4 TO 1

(Continued from First Page)

The Southern Association, Portland, was defeated by Hollywood, 4 to 1, in the final game of the season today.

The game was a close one, with Hollywood leading 3 to 1 in the fifth inning. The game was decided in the ninth inning, when Hollywood scored four runs.

MAT STAR EAGER FOR NEXT BOUT

Cantonwine Volunteers to Meet Marin Plestina in Olympic Match

Howard Cantonwine, the young mat star from Iowa, who is back in his old-time form again following more than a month's training in this section, took the aggressive from Marin Plestina, the famous "trust buster," a week before their scheduled battle at the Olympic Wednesday night.

Plestina has been years in trying to get a bout with any of the recognized top-notchers, and when Cantonwine, who decided to bring him to the coast to compete in the big elimination tournament, he is a likely place man no one figured the former Manual Arts track star as strong a performer as he turned out to be. Spencer Selby, another U.S.C. athlete who forced the veteran Chuck Lewis out of fourth place, is not expected to show as well today as he did Tuesday. Lewis, on the other hand, may improve as he is a fine campaigner.

The events on tap today at the Coliseum are the high hurdles, the javelin, the 1500-meter run, the discus and the vault. Stewart's points in these events in the last A.A.U. meet were as follows:

1500 meters, 9:05; javelin, 78.25; discus, 344.4; vault, 12.27; high hurdles, 55.8.

Stewart will be bothered most with the pole vault and the 1500-meter run, but if he can score over 600 points in these events and come through in with his usual good work in the discus, the javelin and the high hurdles he is almost a sure bet to break the record.

It's almost a certainty that Stewart will get the trip to the final trials at Philadelphia on July 3 and 4 and more than likely that Morfess and Le Polvre will go along as his team-mates. If Stewart's heel holds out he can write his own check for the Olympic Games track share here.

ATHLETES MAY MAKE OLYMPIC MARATHON TEAM

Another member of the American Olympic marathon team may be selected by the Southwest A.A.U. track and field committee after the Los Angeles Athletic Club invitational marathon at the Palos Verdes Estates Sunday morning.

There will be no final marathon trial in the East, and times made by various sectional winners will be used as a final check-up on the team.

Joe Ray, whose remarkable comeback from a foot injury sustained in the Long Beach (N.Y.) marathon on May 18, is a team member, as is another runner, Phil Coif, who has been in the Los Angeles trials.

Harry Chauhan, L.A.C. Indian runner, has already placed second in the marathon at San Francisco and Kansas, will compete Sunday, as will his team-mate Jenkins, and many other Indian stars. Phil Coif, Arizona runner, may also compete.

Carlton Waite, U.C.L.A., is one of the few college runners entered. A field of twenty men will answer the starter's gun.

The race, managed by Boyd Comstock, L.A.A.C. coach, will start at 9:30 o'clock Sunday morning and will cover the standard Olympic distance of 26 miles and 385 yards.

STELLAR FIELD IN OPEN PLAY

Von Elm Hits Stride to Get Sparkling 71

(Continued from First Page)

critics. He has been around the 73 mark consistently.

George Von Elm, a life member of the Los Angeles Country Club, today hit his stride for the first time and shot the championship course in 71. He has been over the 75 mark more than he has been under it this week.

He is playing from the Tam O'Shanter Club of Detroit. Charley Guest is the professional of this club and he has been George's constant playing partner. Charley finds the Olympia Fields course a bit long and as yet has not been able to find himself.

Harry Cooper, one of California's annexed citizens, is shooting a dazzling brand of golf. He is seen for this championship and in practice play has demonstrated that he will make the going interesting for anyone.

Ed Gayer of Chicago is a California "native son." Today he was hitting his shots beautifully.

One of the Los Angeles players who has been turning in round after round of fine golf is Frank Vunally of the Urban Club. Frank is a youngster, of course, but he has been shooting scores which have made veterans envious.

Three times in the last two days he has been under the 75 mark. Withdrawals have cut the total field as it now stands to 148 players. At the end of thirty-six holes the low sixty-four players and those tied for sixty-fourth place will qualify for the final thirty-six holes. Par for Olympia Fields is 71. Four rounds of par golf would give a total score of 284. Some believe that par will be equalled. The players do not think 280 will be broken.

Bobby Jones, great of them all, tonight said that he would willingly take four rounds of 73, a total of 292, and pack up his bag and go back to Atlanta. He added that he thought the tournament would be won with a score between 284 and 292.

"Mandy, I hope I won't lose you when you're married."
"Lousy, no! I can get a husband any old time, but I can't get a job as soft as this."

CHUCKLES from LIFE

Divorce a La Mode
She: Have you seen Kate Kiplingstone lately?
He: Not since she divorced me.
She: But I thought you married Maud Kingsway.
He: I did. That was after Kate.
She: I used to adore Maud.
He: So did I. Until I married her.
She: And Kate, too.
He: I still adore Kate.
She: But she divorced you.
He: That's probably why I adore her.
She: They say she's going to marry again.
He: Really? Whom?
She: My husband.
He: But I didn't know you were divorced.
She: I'm not—yet.
He: So you prefer the single life.
She: Not at all. I, too, am about to be married.
He: Indeed! And the lucky man?
She: Maud Kingsway's first husband.
He: Why, Maud's first husband is now married to Alice Dellamy.
She: But Alice is getting a divorce.
He: Of course she is.
She: Why do you say "of course"?
He: Because I'm going to marry Alice.

GREECE IN STEW OVER WALKOUTS

Tramway Workers on Line to Piraeus Strike

But Bakers and Tobacco Men Resume Jobs

Army and Navy Holding Aloof From Turmoil

ATHENS, June 20. (P)—Strikes in various industries continued to trouble Greece today.

Employees of the electric railroad between Athens and the Port of Piraeus and tramway workers decided to join in the walkout. Builders in Athens are also ready to strike.

Other organizations issued various demands and declare that if these are not granted they will quit work tomorrow.

Many bakers, employees of the waterworks and tobacco workers in Saloniki and Kavala, however, are returning to work.

A threat of lower-grade civil servants to walk out was repudiated by another branch. In most cases transport workers continued at their posts.

It is denied that the army and navy have been affected by the strike. A general strike is proclaimed as yet in Athens.

With the workers returning in the

DRIVE PLANNED FOR SPAGHETTI

American Consumption of 250,000 Tons Fails to Satisfy Makers

CHICAGO, June 20. (P)—More than 500,000,000 pounds of spaghetti and macaroni were consumed by Americans last year, the National Macaroni Manufacturers' Association was informed today.

The aggregate still is far behind that of Italy, where the consumption is about 500 pounds a year for each person, as compared with five pounds in the United States.

This the spaghetti men hope to remedy by advertising campaigns and through research bureaus to devise ways to serve the product.

NEW STEP MADE AGAINST JULIAN

Accountants Report on Mine Property Made to Court

Principal Asset Thirty-eight Claims Near Phoenix

Office Expense and Law Fees Among Heaviest Bills

PHOENIX, June 20. (Exclusive)—A second step has been taken in local litigation against the C. C. Julian interests of Los Angeles with respect to the application for receivership made by minority stockholders of the Monte Cristo Mining and Milling Company. This application primarily was based on impending maturity of the first of three notes of \$150,000 each, given last November by the management of the corporation, of which C. C. Julian is president and principal stockholder, to the New Monte Cristo Mining Company, in which Mr. Julian also is president and principal stockholder.

The application has had one day in court, before Superior Judge Windes, who, covered with a flood of figures, said he decided it outside of his province to serve as an expert. He thereupon issued an order commanding submission of all records to H. H. Culbert, a certified accountant, whose report today was brought into open court. The audit covers the period between October

Se Invita a Coolidge para Inaugurar una Presa

PHOENIX. 20 de Junio.—Se ha hecho una invitación al Presidente Coolidge para que venga a Arizona el próximo octubre, a fin de que inaugure la presa que lleva su nombre, levantada en el Río Gila. Gobernador Hunt y otros prominentes ciudadanos de la localidad expresaron quienes suscribieron dicha invitación. Se afirma que la enorme tasa construida para la presa hará que se puedan cultivar muchas tierras colindantes, con mayor intensidad, sobre todo una gran extensión de tierras pertenecientes a tribus indias.

Yale Acaba de Conferir Títulos Honoríficos a Extranjeros Pro-

NEW HAVEN (Connecticut) es la ciudad de la Universidad de Yale, donde se han reunido hoy títulos honorarios, a cuatro prominentes extranjeros muy conocidos en los Estados Unidos de Norte América. Estos son Paul Glandel, poeta, Editor de *The New Yorker*, en Nueva York; Frank Lloyd Wright, arquitecto; Guillermo Russell, que es conocido en todo el mundo por sus escritos con el nombre de "AE", lo mismo que por sus pinturas y su reputación de filósofo; y el Dr. Hans Kohn, el nelo Ubbö Ariens Kappers, neurólogo, de Amsterdam, Holanda; Yu-Chen Jaime Yen, de Pekin, China, a quien se hace aparecer como un

der de las masas en aquel país lejano. El Embajador Claudel y "Ae" recibieron el título de Doctor en Letras. Al señor Kappers le otorgaron el de ciencia, y al señor Yen-

el título de maestro de artes. Otros títulos honoríficos conferidos fueron: Maestro de Ciencias a Everts Ambrosio Graham, San Luis, Misouri, profesor de cirugía en la Universidad de Washington, co-publicista de los Archivos de Cirugía, muy conocidos. Doctor en Leyes, Jaime G. Harbord, de Nueva York, mayor general del ejército, en retiro, y presidente de la Radio Corporation of America.

El Vaticano Honra a un Educador Católico

ROMA, 20 de Junio.—Monseñor Tomás José Shahan, obispo titular de Germanicopolis y educador muy ampliamente conocido, ha sido nombrado obispo coadjutor del trono pontificio, por medio de un decreto que apareció publicado hoy en la gaceta oficial del Vaticano. Monseñor Shahan ha sido rector de la Universidad Católica de América, Washington, D. C., desde el año de

1909.
La Cámara de los Comunes Nom-

bra su Presidente
LONDRES, 20 de Junio.—La Cámara de los Comunes eligió hoy unánimemente como su presidente al Capitán Algernon Pittroy, miembro conservador de Daventry, Northamptonshire, para suceder a Juan H. Whitley, que renunció al cargo recientemente.

Explosión en una Casa de Baños
CIUDAD DE MEJICO, 20 de

Junio.—En una conocida casa, de
baños muy céntrica ocurrió la ex-

plasión de una caldera anoche. Fue tan tremenda la tal explosión, que el edificio todo se vino abajo en ruinas. Hoy en la mañana se empezó a escombrar un poco y se han encontrado veinte y seis cuerpos que se hallaban entre las ruinas de la mencionada casa. Se sabe que unas treinta personas fueron lesionadas, toda gente conocida.

An Amazing Public Tribute!

*- two thousand carloads of
General Electric Refrigerators
delivered to users since April first*

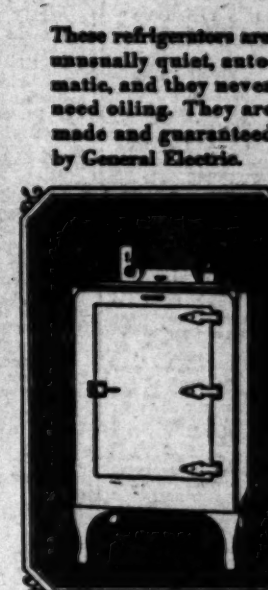

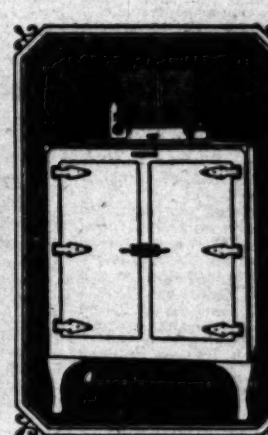

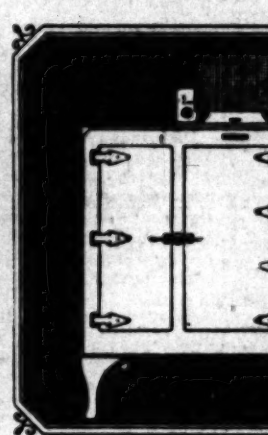

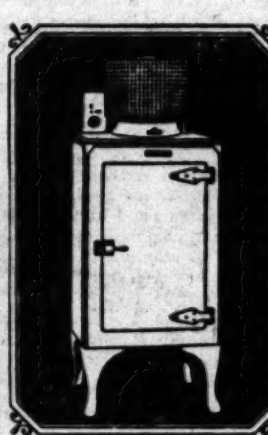

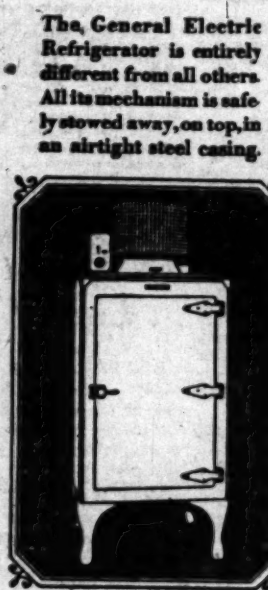

The General Electric Refrigerator has now been on the market just one year. From the day it was first announced, it was accepted by the public with truly amazing enthusiasm.

Since April first, more than 2000 carloads have been delivered to American homes. This is a gratifying tribute to the General Electric Refrigerator—a true achievement in electrical engineering. It is the worthy product of the Research Laboratories of the world's largest electrical manufacturer.

Nine factories working at top speed

The tremendous demand for these "years ahead" refrigerators has made it necessary to increase production again and again—just as rapidly as is consistent with General Electric standards of quality. Now nine factories are working at top speed to take care of the increasing volume of business.

And now for the VACATION SUPREME

at California's Glorious Mile-High Playground

Lake Arrowhead!

MAKE this vacation a time of pure delight in a mile high wonderland, where every game and sport and pleasure is at its California best. Come to LAKE ARROWHEAD! Swim, or row in the clear blue lake. Go motor-boating under the stars. Ride horse-back over a hundred miles of woodland trails. Tee off for your happiest game of golf, on top of California. Play tennis...ramble over the hills under great trees...catch the limit of great, fighting Rainbow trout...dance to a 7 piece orchestra, see a first run movie...anything, everything that makes the heart of the vacationist glad. Or just lie under an old, old pine...and rest...and let the clean mountain air and the incense of the trees renew your test for life. For happy children, for boys and girls, for young romancers, for busy fathers and careful mothers...LAKE ARROWHEAD, California's cleanest mountain playground, is the ideal vacationland. Come!

\$700.

BUYS A LAKE ARROWHEAD HOMESITE

Don't delay! Come now to beautiful LAKE ARROWHEAD and select your homesite. As little as \$700, the cost of an ordinary vacation or two, will give you and your family permanent vacation happiness for the years to come. Architect, builder, lumber yard are all here. Every improvement complete...all city comforts... Water, Telephones, Electricity, Sewers...all paid for... no assessments...no promises.

3 Years to Pay

All Lake Privileges

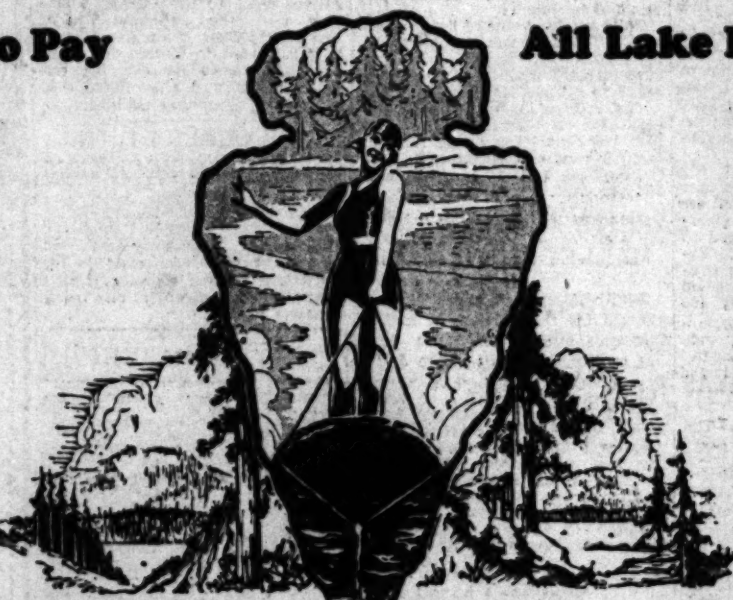

Accommodations for 1950 Happy Vacationists

Your vacation at LAKE ARROWHEAD need cost no more than an ordinary vacation at an ordinary place. Accommodations are here to fit whatever price you may set;...at the Lake Arrowhead Lodge, the North Shore Tavern, both American Plan; at the Village Inn, or the Raven, both European Plan; or at any one of three cabin camps, furnished for housekeeping...Camp Fleming, Cottage Grove, Chapman Courts. There is also a clean, roomy Auto Camp with accommodations for 500 cars, at \$1 per car per day.

Lake Arrowhead's Norman English Village

is complete with up-to-date shops, including art, sport and beauty shops, grocery, cafeteria, soda fountain, cleaning and pressing shops, and drug store, garage and post office.

Pleasures—Sports—Events

Nightly dances, with music by "Hap" Allen and his 7 piece LAKE ARROWHEAD ORCHESTRA; daily Village band concerts; outdoor motion picture theatre...first run movies... "where the stars meet the stars" golf tournaments; motor boat races; annual bathing beauty and fashion show; men's and women's annual mile-high swimming feast; aquatic contests; archery tournaments; camp fires and so forth and so forth, pleasures, sports and play without end... all for you! Come!

New High Gear Road

The first section of the new high gear road to LAKE ARROWHEAD... 6 to 8 per cent grade... is almost finished. Within a short time this most important and easiest of all Southern California mountain roads will be carrying hundreds of cars to LAKE ARROWHEAD. Demand for Homesites in this famous mile-high playground will increase tremendously.

Consumers in Combine With California Materials

Earnings of New Organization \$356,449 Last Year

Total Daily Plant Output Set More Than 21,000 Tons

Consolidation of Consumers Rock and Gravel Company with California Materials, Inc., into a new company known as Consumers Rock and Gravel Company, Inc., was announced yesterday. The merged company will have a population of 2,000,000. The combined companies with affiliations owns or controls and operates nine rock-crushing plants with an aggregate capacity of more than 21,000 tons of material per ten-hour day. It has plants in Hollywood, Vernon, Whittier and Santa Barbara. In addition to these new plants, all plants except two have railroad facilities.

Combined operating earnings of the merged companies for the year ended December 31, last, amounted to \$356,449. This compares with \$336,625.77 in 1926 and \$191,965.82 in 1925. Messrs. Sanderson & Porter, engineers, recently appraised the property at \$3,670,289, including land values of property owned in fee of \$1,548,400. Leaseholders are estimated at \$600,000.

The consolidated company with its affiliations serves Santa Barbara, Ventura, Los Angeles, Riverside, San Bernardino, Orange and Imperial counties. It operates a fleet of 150 heavy trucks. The company holds as a reserve 1478 acres of producing lands of which 312 acres are owned in fee and 1166 held on lease. Based on 1927 sales, it is estimated that the reserve will last seventy years, included in the properties is a large tract located at Twenty-six and Alameda streets. This property is considered valuable for industrial purposes.

CLASS TO ORGANIZE

Course on Economic Principles Will Open Tonight

Dean Reid L. McClung of the college of commerce and business administration of the University of Southern California is to have charge of a 6 o'clock lecture course in "Principles of Economics" to be organized tonight at university college, the downtown division of the University of Southern California at Seventh and Los Angeles streets. At 8 p.m. this evening course will meet in banking and business, auditing, intercompany accounting and real estate methods of conducting. W. M. Cunningham, formerly with the Wall-street division of New York University, will head the banking and business group.

THE STOCK MARKET

ST. CHARLES A. DICE, Professor of Finance, Ohio State University

NO. 41—COST OF PRIVILEGES

Put and call prices are regularly quoted on practically all the active stocks on the New York Exchange.

Some of the largest houses dealing in puts and calls quote prices on odd lots as small as ten shares.

On the New York Exchange, the most frequent periods, though fifty-day options are common, with an occasional option running six months.

The most common period is thirty days. Prices vary with the duration of the option. Prices are quoted as follows: 100 shares for thirty days, \$17.50; 100 shares for fifteen days, \$75; 100 shares for seven days, \$50; fifty shares for thirty days, \$75; fifty shares for fifteen days, \$75; fifty shares for seven days, \$25.

Prices are generally quoted "points away" from the current market price. However, privileges are frequently sold "at the prevailing market price." If United States Steel is selling at \$115, a call on 100 shares for thirty days can be bought for \$157.50, three "points away" from the market.

Means that if steel goes up to \$120 and the buyer of the privilege calls for the steel shares, he will pay \$118 per share to the seller.

In the call gives the holder the right for thirty days to buy from the maker of the contract the number of shares of United States Steel at the market price at the time of making the contract, plus \$3. Calls on the points away, and always quoted a specified number of points above the market. Puts on this basis are always quoted a specified number of points below the market.

A call "at the prevailing market price" gives the holder the right to buy from the writer of the call a certain stock for a fixed length of time at the present market price.

On the other hand, a put gives the holder the right to sell to the writer of the put a certain stock at the prevailing market price at the time of making the contract, plus \$3. Calls on the points away, and always quoted a specified number of points above the market. Puts on this basis are always quoted a specified number of points below the market.

The cost of a call "at the prevailing market price" is, of course, much greater than the cost of a call "points away," and depends on the activity of the stock and its market position. A call on 100 shares on 100 shares of United States Steel for thirty-nine days might cost perhaps \$375.

Next article: The Use of Privileges.

Cold Weather Checking Trade in Local Field

Cold weather is retarding business with the result that seasonal merchandise is moving slowly. Bradstreet's reported yesterday in the weekly survey of local trade. Although improving of property continues on a satisfactory scale, real estate continues quiet.

Building trades report sales below the same period of last year, but due to price adjustments and a lack of the former keen and unprofitable competition, they have marked a general improvement.

Down town retailers are continuing to open branch stores in outlying districts of account of the automobile parking situation in the heart of the city.

Employment conditions are fairly satisfactory and show an improvement over the early part of the year. This is noticeable in the weekly apparel trades. Motion picture and oil working employment is still below the normal point.

LEAVING FOR HOUSTON

George R. Martin, vice-president of the Security Company, the investment subsidiary of the Security Trust and Savings Bank, leaves tomorrow on the California Special over the Southern Pacific for his assignment as the Democratic National Convention.

After returning to Los Angeles Mr. Martin will visit in Washington, New York City and Chicago. He is credited with belonging to the Wilsonian wing of the Democratic party and is a director and member of the executive committee of the Southern California branch of the League of Nations Nonpartisan Association.

RAIL STRATEGISTS COMPETE

Western Pacific Takes First Round in Contest With Espee for Traffic Advantages

BY EARLE E. CROWE
As a strategist, Arthur Curtis James, controlling owner of the Western Pacific, seems to have the upper hand in the contest with the Southern Pacific for a foothold in the new traffic territory the latter system is opening up in Northern California and Eastern Oregon. The moves and counter-moves in this rivalry form one of the most interesting chapters in present-day transportation history in the West.

Western Pacific, at small expense, is maneuvering to capitalize on the large expenditures of the Southern Pacific to open up the rich country extending south and east from Klamath Falls, Or. The Southern Pacific naturally is opposing with all the means in its power the plans of the James interests, but so far the latter system appears to have the best of the argument.

Merger Shows Edison Genius as Financier

NEW YORK, June 20. (AP)—The world learned to know Thomas A. Edison, inventor, from the signature on the phonograph cabinet, but only recently it is realizing his genius as a financier.

One is a man and the other a corporation, and the inventive genius of the man appears to have hidden the financial genius of the corporation. When recent announcement was made of the consolidation of Edison and Spittler interests it was learned that while the net worth of the man cannot be estimated, that of the corporation, Edison Industries, of which Thomas A. Edison, Inc. forms a large part, is approximately \$40,000,000.

The Thomas A. Edison, Inc., balance sheet shows ratio of current assets to liabilities at the end of 1927 of more than eleven to one. The bulk of machinery and equipment in use has been written down to \$1 and the valuable Edison patents virtually are free from the books. There is no funded debt and no bank loans. Nearly half the liquid capital invested is in the form of cash and Liberty Bonds. Net worth is estimated at \$12,000,000.

The corporation apparently is as versatile as the inventor. It produces among other things storage and other batteries, cement, phonographs and records, stock tickers, card tables, mechanical and electrical equipment, radio sets and supplies and electro-plated products. More than 3000 employees are on the payroll and the corporation has thirty branches in this country and representatives in 124 other countries.

By extending to a connection with the Southern Pacific at Westwood, the Western Pacific would have the opportunity of soliciting against the Southern Pacific the rich high-bay traffic in Northern California and Southern Oregon. The traffic it might win would be diverted to the Western Pacific, and the Southern Pacific only the short haul from the point of origin.

Interests may also interfere with the reputed project of the Southern Pacific to open at some time another branch line from Portland to Los Angeles. After the Klamath Falls route is completed, traffic can move direct from the Pacific-Northwest to Southern California, avoiding the congestion around the San Francisco Bay district, simply by a single-gauged stretch of about 100 miles between Astoria and Westwood. This line runs in behind the Sierra Nevada Mountains, starting at Perry, Nev., and ending at Westwood, the nearest point of the Southern Pacific, and entering Los Angeles by way of Independence and Mojave.

Ratio of Stock Loans to Value Near High Mark

NEW YORK, June 20. (AP)—Stock exchange brokers' loans on June 1 totaled \$5,274,048,281, or 9.46 per cent of the total market value of listed stocks, the highest ratio since March 1, 1926. On May 1, loans totaled \$4,907,782,509, and the ratio was 8.9 per cent.

Total market value of listed stocks was \$55,785,456,806 as compared with \$54,818,925,280 a month ago. The average price of all listed stocks was \$81.53 as against \$81.19 on May 1.

The ratio of loans to total market value on March 1, 1926, was 10.23 per cent. The recent low was 8.06 per cent on September 1, 1927. On January 1, 1928, the ratio was 8.91 per cent.

ZENITH AIRCRAFT TO MARKET STOCK BLOCK

Zenith Aircraft Corporation, organized for the purpose of manufacturing aircraft at Santa Ana, has received a permit from J. M. Friedlander, State Corporation Commissioner, to dispose of 12,000 shares of common stock.

The officers, Sterling Price, president; Albin K. Peterson, vice-president; and John Williamson, secretary, reside in Orange county. Approximately 8000 shares was authorized to be issued in exchange for property, which includes an airplane, a hangar and engineering designs. The company also has a contract to build a large type monoplane that will carry a larger load than other types of aircraft and has an extremely low landing speed.

SALES OF CHRYSLER AUTO SHOW GROWTH

NEW YORK, June 20. (AP)—A report on the growth of the Chrysler Corporation indicates sales of cars the first half of 1928 will exceed total output for 1927, which was 106,857 cars. This year's sales are expected to reach 250,000 cars. The company has income of \$22,777,754 in additions to plants and properties in the last three and a half years.

LISTINGS ON LOCAL MART SHOW GAIN

Increase of 65 Per Cent Over 1927 Period Scored Since January 1

Reflecting increased trading activity, new stock issues listed on the Los Angeles Stock Exchange since the beginning of the year exceed by 65 per cent the number of listings for the same period last year and are close to the total for the entire year 1927, records of the exchange show.

Ten new issues have been listed since the first of the year, while for the same period of last year six were added. The total for the year 1927 was fourteen new stocks.

Greater interest, more recently manifested in trading local securities on the market, is thought to have been instrumental in the action taken by the companies.

Some of the principal companies to place their securities on the market this year are Weber Showcases, Central Investment, Blumore Hotel, Home Service and Emcoo Derrick and Equipment Company. The business of Weber Showcases, having plants in this city, is national in scope. Home Service is a holding company for a group of local laundries and Emcoo Derrick, the last to take the move, is a local company capitalized at \$5,000,000.

As an indication of the increased trading activity of the market, value of transactions since January 1 to the close of business yesterday approximated \$400,000,000, which is almost double that for the entire year 1927, which totaled \$242,272,278. The years 1925 and 1926 were nearly double the respective preceding years. Enlarged quarters, longer trading hours and the introduction of the post-trading system has been found necessary and has materially aided expansion.

Cattle Market Steady Despite Large Offerings

SAN FRANCISCO, June 20.—The coast cattle market has a large supply of medium quality and the tendency of buyers is to try to secure good top cattle on as low a basis as possible, according to reports of the Western Cattle Marketing Association. Producers are well entrenched, however, and prices continue to be steady. Good steers are selling at \$10.50 to \$10.75, and good cows at \$8 to \$8.25 f.o.b. country points. Good heifers are selling at \$9 to \$9.50, with some horns heifers bringing \$8.75 to \$9, at shipping point. The calf market is very quiet, with few offerings compared with a week ago and light good quality calves are bringing \$12 to \$12.25. Heavies and off kinds are traded down accordingly.

There has been considerable activity in the feeder market during the past week and sales have been made at attractive prices. Two-year-old native California feeder steers sold for \$8.50 per hundred, and some coast points. Yearling steers are changing hands at \$6.00 per head, yearling heifers at \$5.50 per head, and some native Arizona yearling heifers, purchased by California buyers, were resold to the original owner. Demand for Arizona feeders will be good in Arizona this year.

London Daily Radio

BY ARTHUR W. KIDDY

(Copyright, 1928, by New York Evening Post, Inc.)

LONDON, June 20. (By wireless) Further liquidation in Wall street caused here today a fall in hydro-electric, gramophone and kindred stocks. The severity of the fall is causing some anxiety in the forthcoming settlement. Oils and rubbers were steady. DeBers was better, and investments were firm.

The franc was steady with great interest manifested in the stabilization program for Sunday. The Athens cable to the London Times says that the Selgman firm of bankers of New York has offered to grant loans to Greece of about 20,000,000 francs for carrying out public works, and has offered also a loan for rebuilding Corinth.

LARGE ORDER GIVEN FOR CASH REGISTERS

NEW YORK, June 20. (AP)—Remington Cash Register Company, subsidiary of Remington Arms, has an order for 5000 cash registers for the chain of the Schulte United Stores. Subsequent orders may bring the total to 7000.

COTTON MARKET

NEW YORK, June 20. (Exclusive)—The cotton market had lower prices by about 10 points to prices on the average of the preceding day. The market was quiet, with few offerings, and the price of late cotton was about 10 points higher than the price of early cotton.

On the basis of the closing on June 19, the market was about 10 points higher than the market on June 18, and about 20 points higher than the market on June 17. The market was about 10 points higher than the market on June 16, and about 20 points higher than the market on June 15. The market was about 10 points higher than the market on June 14, and about 20 points higher than the market on June 13. The market was about 10 points higher than the market on June 12, and about 20 points higher than the market on June 11. The market was about 10 points higher than the market on June 10, and about 20 points higher than the market on June 9. The market was about 10 points higher than the market on June 8, and about 20 points higher than the market on June 7. The market was about 10 points higher than the market on June 6, and about 20 points higher than the market on June 5. The market was about 10 points higher than the market on June 4, and about 20 points higher than the market on June 3. The market was about 10 points higher than the market on June 2, and about 20 points higher than the market on June 1. The market was about 10 points higher than the market on June 1, and about 20 points higher than the market on June 1.

BANK FORECAST OPTIMISTIC

Continuation of Moderate Prosperity in Remaining 1928 Months Declared Indicated

BY PAUL WILLARD GARRETT

(Copyright, 1928, by New York Evening Post, Inc.)

NEW YORK, June 20.—A singularly even keel in business is maintained as the first half of 1928 draws to a close and, if present signs prove trustworthy, a continuation of this "middle ground sort of prosperity" for the remainder of the year is likely.

At least this in a few words summarizes the demand for funds. It is, indeed, it is followed by a relaxation in business activity, the influence would be for easier money.

A fair assumption based on current signs is that business will maintain its present good pace. In the absence of either a sharp upturn or downturn in the general volume of activity, the destiny of the money market will naturally depend upon the late 1928 gold movements and reserve policy.

Emphasis is laid by this bank on an increasing disposition toward caution in business in anticipation of far-reaching changes now in the making. Nearly all the industries have been under active business this year, but both producing and distributive enterprises have taken pains to keep operations in close harmony with consuming needs.

Here is an attempt to read below the surface the reason for such caution in a period so generally prosperous.

Never was American industry in more of a state of flux, perhaps, than at the present time. On this very point Commerce says: "A steady pressure on prices, the extreme severity of competition, difficulty in maintaining a reasonable full employment of plant capacity, losses seemingly inherent in the distributive system, the narrow profit margin in some of our most fundamental industries—all matters are compelling a deeper consideration of many accepted business tenets and practices."

Deep-rooted problems in agricultural production, industrial labor and the relation of markets to the expanding output of manufacturing, doubtless have taken some of the enthusiasm out of the country's prosperity. In limiting the former mental industries such matters are likewise has tended to stabilize conditions.

If the authorities of the financial district seem less positive in their forecasts of a continued firmness in money than they were a month ago, it is, perhaps, for the reason that much depends upon the turn in business during the next six months. If the sideways movement in industry for the last four months is a harbinger of a summer revival, that will tend to mul-

Cities Service Earnings Soar

NEW YORK, June 20. (AP)—Net earnings of Cities Service Company for the year ended May 31, established a new high record of \$31,954,769, an increase of 14.66 per cent over the preceding twelve months.

This was equal to more than twelve times interest and discount on the company's debentures. Net available for the common stock was \$22,544,892, equal to \$5.23 a share.

This compares with \$18,648,171 the year before, \$4.67 a share on the common. Regular monthly dividend was declared.

Port Revenues Higher in May

Total revenue of Los Angeles Harbor showed a gain of \$1700 in May of this year over May, 1927, according to the monthly report of Traffic Manager Starr to the Harbor Commission yesterday. The total was \$171,787.10, compared to \$170,092.95.

Amount for services was \$129,016.97; rentals, \$37,091.04; fees, \$3,809.87. Returns from the Municipal Bell Line Railway, not yet operating under joint direction by the city and railway companies, were \$10,975.46, more than \$1700 lower than for May of 1928.

BY HOWARD C. KEGLEY

With the inauguration of the six-day week in the oil fields, the prospects for an increase in the price of crude oil are considerably improved in the opinion of many persons in the industry, who base this conclusion on the fact that the reduction of the working week naturally increases the cost per barrel of oil produced, which in turn means that the producer must get more money for his oil.

This fact combined with the firm position of the crude-oil market, in general, and the lighter grades of oil in particular, is considered as an important factor in the present price situation, which has been under more discussion in recent weeks than it has been for the past year.

Marketers, taking into consideration the available supply of oil, and present production and demand, are confident that a revision upward in the posted price of crude oil will be announced in the near future, with the emphasis on the lighter gravities.

It is thought probable that any revision of the posted price of oil, which has been under more discussion in recent weeks than it has been for the past year, is pointed out by the fact that the overproduction which has swept the country in recent months, and which resulted in the nation-wide curtailment of the recently closed-in wells, and put the industry right back where it was when the curtailment program was inaugurated.

Gets Small Well

The Shell Company brought in its Cherry Hill No. 3 well two days ago with an initial production of about 600 barrels a day, according to unofficial reports, but the yield was not clean, and it was decided to kill the well, and to do some more work on it, before turning it into the pipe line.

Starts New Well

The Petroleum Exploration Company, a Doheny corporation, whose operations so far have been confined principally to the Rincon field, is starting work on a new well in the Rincon field, west of the producing district at Sealife, according to official reports. The Rincon field is almost as busy as the Rincon field, west of the producing district at Sealife, according to official reports. The Rincon field is almost as busy as the Rincon field, west of the producing district at Sealife, according to official reports.

Test Fruitful Well

The Pacific Eastern Production Company is starting a test of its No. 3 well in the Fruitvale district, three miles west of Bakersfield, according to unofficial reports. The well is down about 380 feet, and is understood to have gone through showings which indicate that it ought to be a better well than the original Fruitvale well, which is making about 250 barrels a day on the beam, from about the same depth.

The Pacific Eastern has another well drilling at Fruitvale, and the Shell Company, and the Superior Oil Company also are drilling new wells in that neighborhood.

Official Report

Official figures issued by the State Oil and Gas Supervisor show a total of 462 new wells started in California since the first of the year, as compared with a total of 490 new wells started in approximately the same period of 1927.

Figures for abandonments to date this year show a total of 300 as compared with a total of 252 in the same period of last year. Incidentally the abandonments for the last year totaled 29, was the largest number of abandonments for a single week, reported for more than a year.

Deepens Three Wells

The Richfield Oil Company is undertaking a campaign of renovation on its Torrance properties, and is preparing to deepen three wells on its Lomita lease, in that field, according to official reports.

Oversold Mart Brings Upturn in Wheat Pit

CHICAGO, June 20. (Exclusive)—A heavy oversold position was disclosed in the world's leading wheat market, and prices advanced sharply on general buying.

Liverpool led the upturn and closed 3-1/2c higher, while the finish was at 1-1/2c.

Winnipeg closed 3-1/2c higher, while the finish was at 1-1/2c.

Other grains were influenced to some extent by this action of wheat, with corn gaining 1-1/2c.

There was a noticeable lack of pressure, however, and there was a marked upturn in the wheat market.

Removal of the surplus stock was a factor in the advance in Winnipeg, but the market was not so much influenced by this action.

THE WEATHER

(Official Bureau)

LOCAL OFFICE, U. S. WEATHER BUREAU, Los Angeles, June 20.—(Reported by H. B. Herzer, Meteorologist.) At 5 o'clock a.m. the barometer registered 29.90; at 8 a.m., 29.89. Thermometer for the corresponding hours showed 56 deg. and 66 deg. relative humidity, 5 a.m., 83 per cent; 8 a.m., 82 per cent. Wind, 5 a.m., southwest, velocity 2 miles; 5 p.m., southwest, velocity 5 miles. Temperatures, highest, 69 deg.; lowest, 59 deg. Rainfall for season, 9.77 inches; normal to date, 15.64 inches; last season to date, 17.76 inches. Barometer reduced to sea level.

WEATHER CONDITIONS.—June 20. Showers with occasional thunderstorms have occurred during the past twenty-four hours from Montana, Wyoming and Colorado eastward to the North Atlantic coast. The rainfall was light to moderate generally, but a few localities it was heavy. St. Louis reports 2.86, Philadelphia 1.28, New York City 1.59 inches. Moderate temperatures are reported over practically the whole country. In the Southwest, in the coastal region, but clear weather in the interior, and moderate temperatures. In the Pacific Northwest, cloudy, moderately cool weather may be in the State, but above normal and for the season.

SUN, MOON AND TIDES.—Los Angeles, June 20. Sun rises 5:42 a.m., sets 7:51 p.m. Moon rises 8:42 a.m., sets 10:31 p.m. Los Angeles high tide, 1:11 a.m. and 11:54 a.m.; low tide, 6:48 a.m. and 5:47 p.m.

LOCAL TEMPERATURES.—June 20. Minimum and maximum temperatures from stations in the Los Angeles office of the U. S. Bureau, were as follows:

FRANCISCO, June 20. —
 Francisco and vicinity:
 moderate westerly winds.
 Northern California: Fair and
 clear at night; warm
 moderate west and
 on the coast.
 Sacramento, Santa Clara and
 Colusa: Fair; warmer; gentle
 Northern California: Fair, but
 portion at night; normal
 moderate westerly winds.

ARIZONA FORECAST

Ex-Officer Contradicted in Glab Murder Case Story

WOMAN DENIES SHE CALLED HIM

Mrs. Adams Assails Version of W. R. McIntyre

Widow and Niece Formally Accused in Slaying

Stories Heard at Inquest; Threats Related

Contradiction of an important part of the statement made by William R. McIntyre, former Los Angeles policeman and friend of Mrs. John I. Glab, last night spurred detectives on a new investigation into McIntyre's activities on the night John Glab was slain at his Ventura Boulevard home.

The contradiction, in the form of a denial from Mrs. Marian Adams that she had telephoned McIntyre Tuesday morning informing him of Glab's murder, was the State's action in formally charging Mrs. Glab and her 17-year-old niece, Ethyl Kaser, with Glab's murder were the outstanding developments yesterday in the effort to solve the mysterious shooting Monday night of the red-headed Chicago thug.

ORIGINAL STORY
In McIntyre's sworn statement to police he declared that "Marian, a close friend of Mrs. Glab, whom I had met at my apartment, telephoned me Tuesday morning telling me Glab had been shot."

When Mrs. Adams was questioned yesterday afternoon by detectives at her home, 1944 Webster street, she denied ever having met McIntyre, or having telephoned him. She admitted, however, telephoning a "Mr. McIntyre" who Mrs. Glab asked her to call. Mrs. Glab, Mrs. Adams said, telephoned her from the Van Nuys police station early Tuesday morning and requested that she deliver the message to McIntyre.

FOUND THROUGH NOTE
Mrs. Adams, who also is known as Marian Poole and Marian Harris, was located by detectives through a note found in the Glab home. The note said had no bearing on the case.

During the hour Mrs. Adams was questioned by Detective Lieutenant Shannon she emphatically denied McIntyre's assertion and offered to face him. Mrs. Glab, who was seen by the "Marian" to whom McIntyre referred.

A vital piece of information, however, was exacted from Mrs. Adams. She said, when she declared that Glab had told her he intended to kill both McIntyre and Mrs. Glab, and possibly also "the whole bunch," she quoted the murdered man as saying:

The threat, according to Mrs. Adams, was made last Wednesday when Glab visited her at her home, and was the second time he had made the assertion within two weeks.

TELEPHONE CALL
Capt. of Detectives Dean yesterday received word from Reno (Nev.) police stating that Glab had failed a friend of long standing, Herman Dink, over the telephone several days ago saying to him: "I'll leave her for Reno Tuesday if I am still alive."

Mrs. Glab and her niece, who have been in custody since the shooting, formally were charged with Glab's murder yesterday in a complaint issued by Dep. Dist. Atty. Thoms and signed by Captain of Detectives Newkirk of the Van Nuys police precinct, who made the arrests.

Today at 10 a. m. the two women will appear for arraignment before Judge Wood and date for their trial is scheduled to be set.

HABEAS CORPUS
A writ of habeas corpus, obtained by Attorneys Joe L. Finner, E. William Hess and Henry Huntington in an effort to obtain release of the two women, is returnable today at 2 p. m. before Superior Judge Craig.

Mrs. Glab was booked yesterday at the County Jail and among the property taken from her by officers was \$440 in cash and three rings. Miss Kaser is held at Juvenile Hall, while McIntyre still is booked at Central Station for investigation.

Mrs. Glab appeared in Judge Stafford's court yesterday in custody of Deputy Sheriff Benson and with her attorneys, but the case was assigned to Judge Wood and set for this morning.

Miss Kaser did not appear in court.

A coroner's jury which sat at the inquest over the body of the slain man in the Van Nuys funeral parlors yesterday morning, brought in a verdict of death from a gunshot wound "fired with homicidal intent by party or parties unknown to this jury."

Although informed by Deputy Coroner Montfort that she did not need to testify, she thought she would incriminate herself. Mrs. Glab gave him a disdainful smile and walked to the stand.

STORY REPEATED
On the witness stand Mrs. Glab told her story virtually as she has repeated it time and again to interrogating detectives, and failed to make any important changes.

Just before the conclusion of the inquest, the woman was led into the morgue by Detective Lieutenant Condafer and shown the body of her husband.

Mrs. Glab at first stood at the head of the slab on which it rested, gazing fixedly at Glab for several seconds, and then moved around to the side where she looked the body full in the face. After standing quietly for several minutes apparently without emotion, she turned to Condafer and said:

"Have they found out what kind of a bullet killed him? With that one remark she took a deep breath and walked out of the room.

Only four witnesses were called by Deputy Montfort. They were Mrs. Glab, Wilson F. A. Krupp, the neighbor who first reached the dying man, and Ambulance Driver Moulder of the Van Nuys police. All gave substantially the same testimony previously given, and a routine verdict was returned after a few minutes of procedure.

Considerable surprise was evinced by observers when Miss Kaser, whom Mrs. Glab is solely dependent for her alibi, was not called to the stand.

Mrs. Glab had regained her com-

Widow Formally Accused in Death Mystery

Entering on Life of Prisoner
Mrs. Glab being booked at County Jail. Left to right, Detective Lieutenant Stevens, Mrs. Hazel Glab and Mrs. Belle de Wolfe, deputy Sheriff.

posure yesterday and smilingly answered all questions, repeatedly denying that she heard the shot fired that cost Glab his life, or that there had been any serious family difficulties. She also was faced by her niece, who, Tuesday changed her first story and said that both she and her aunt had heard the shot. When taken into the room, Miss Kaser emphatically denied making the second statement, and returned to her first story of events surrounding the shooting.

"If I am wrong, I will have to suffer, but if I am right there is nothing police or others can do to me," the blond ex-actress said.

"I am not worried, because I know they have nothing on me. I didn't do it. I am not guilty. If I am convicted, I'll just be convicted and there won't be any more to it. That's all there is to it, there isn't any more," Mrs. Glab said and then laughed.

SMOKES CONSTANTLY
Mrs. Glab sat in a hard, straight-backed chair throughout the day, refusing to be escorted out for lunch. Later in the afternoon she accepted a sandwich and piece of cake brought from a near-by restaurant by a detective. She smoked one cigarette after another, most of the time lighting a new one from the stub of one just completed. Except for a plain blue house-dress, she was attired in the same gray and tan outfit topped off by a chic red hat which she wore when taken into custody on the night of the murder.

Yesterday it was learned that Mrs. Glab once was the dancing partner of Philip Almsworth, former husband of the late Barbara Le May, and now serving a sentence in San Quentin. During the partnership they won several prizes for expert dancing.

STORIES DENIED
At the inquest yesterday, Mrs. Glab reiterated previous statements that her maid, Mrs. M. A. Wilson, was the first to inform them of the shooting, after she, Mrs. Glab, had been told of the slaying by her husband, Glab's gardener and chauffeur, who with P. A. Krupp, a neighbor, reached the fatally wounded man at about the same time.

Reports yesterday morning that Mrs. J. Goodrich, a neighbor, had identified Mrs. Glab as the woman who shot the slaying, Mrs. Glab denied the charge. She said she saw it on the night of the slaying, she said there was much resemblance between Mrs. Glab and the woman whom she claimed to have seen running from the scene into the Glab home, but she did not identify Mrs. Glab as the woman, Condafer said.

QUARREL TESTIMONY
Mrs. Goodrich is the principal witness for the prosecution.

The statement made yesterday by Mrs. Adams that Glab had threatened twice to kill both Mrs. Glab and McIntyre was construed by detectives to substantiate the Glab's former statements that there had been much quarreling between the couple, and refuted Mrs. Glab's statement that everything was amiable in her household.

Wilson, who at first was held as a witness and later released, yesterday said that Glab had packed practically all of his personal belongings to take to Nevada with him.

SEEMED DESPONDENT
Wilson said Glab told several automobile dealers in Van Nuys that he was unable to get along with Mrs. Glab and intended to leave her.

Mrs. Wilson yesterday told officers that during Mrs. Glab's two months' absence in Oklahoma City, where she visited her sister, Ethyl Kaser's mother, Glab appeared despondent.

"During Mrs. Glab's eastern visit Mr. Glab spent most of his time full in the face. After standing quietly for several minutes apparently without emotion, she turned to Condafer and said:

"I haven't known Mr. Glab for more than five months," Mrs. Adams told detectives, "but while Mrs. Glab was back home he came over here five times to believe and chatter with me, during which he made the threats against Mrs. Glab and McIntyre."

TELLS OF LOANS
Mrs. Adams then related having loaned Glab \$100 at two different times during Mrs. Glab's absence, on Glab's statement that he had some money coming and would pay her within a few days. During that time, Glab's bank book disclosed, he had \$8000 in local banks.

After Mrs. Glab's return she called Glab and asked for the money, she said, and he told her that if he

DOHENY SELLS OIL COMPANY

Western Petroleum. This development took place in March, 1925.

SUCCESSFUL IN MEXICO
Although he was the pioneer in the development of the old Los Angeles oil fields, having dug by hand the first well near what is now Westlake Park, Mr. Doheny scores his greatest success in Mexico. He first prospected in Mexico in 1900, and shortly afterward formed the Mexican Petroleum Company of California. This company was the first producing organization in Mexico.

In retiring from his Mexican company, Mr. Doheny was popularly supposed to have entertained the idea of building in Peru American Western another large oil company to rival his Mexican success. But before these plans were entirely under way, litigation with the government over the Elk Hills leases in the San Joaquin Valley discouraged his activities.

Richfield Oil Company is the successor of the United Oil Company, formed in 1909. Originally a small producing unit, aggressive management has created one of the most successful marketing systems in the West, for which the Richfield company is particularly noted.

REDISTRICTING AIMS SETTLED

committee, and S. C. Graham chairman of the general committee to press the fight for the referendum.

Representative Evans of Glendale recounted the fight in the House of Representatives for Congressional reapportionment. He said he feels reappointment will come, probably on the basis of the 1920 census, which will give California six or seven additional Representatives.

PERSONNEL GIVEN
The subcommittee which brought in the report is composed of the following:

Dana E. Weller, Assemblyman Carter of Wilmington, Senator Evans of Monrovia, Assemblyman Easton of Long Beach, George S. Bush, Mrs. Ethel Louise Turner, president of the Friday Morning Club; Mrs. A. J. Lawton, legislative chairman of the Los Angeles District Federation of Women's Clubs, and former Judge Hewitt, legislative chairman of the Los Angeles Chamber of Commerce.

THE LANCER
(Continued from First Page)

in the United States for a long time to come.

THE ANCIENT MARKETS
Incidentally, it is interesting to observe that wherever there was a fair market in early days there now is a large city. St. Louis was a center for trappers in the early pioneer days.

In ancient times Leipzig in Germany was a river crossing where hunters went to exchange furs and furs. Today it is still the great fur market of Europe, and the great publishing center of Central Europe.

PILOT GOES TO GET NEW PLANE FOR RACE
Dick Meyers, local pilot, left yesterday for Danbury, to fly back to the Coast the new Simplex Red Arrow monoplane which he has entered in the Banning Air Derby, July 4. This will be the first time that the new-type monoplane has been seen on the Pacific Coast.

More than 100 airplanes are entered in the Los Angeles-to-Banning race. They will be started from Clover Field.

KOSLOFF WILL PLAY
The Friday luncheon program at the Masonic Club of Los Angeles will feature Alexander Kosloff, concert pianist of the Philharmonic Orchestra and E. E. Henderson of the Toastmasters' Club will act as chairman and Peter Whitehill, humorist, and Tom Butler will assist in the program.

DIRECTOR GOES EAST
William A. Wellman, Paramount director, will leave Hollywood today for Boston, hastening to the bedside of his father, Arthur G. Wellman, who is seriously ill. Wellman received word of his father's illness just as he completed work on his next production.

GREETERS MAY MEET HERE NEXT
Efforts are being made to bring the 1927 national convention of the Greeters to Los Angeles from El Paso Tex., according to advice just received from T. M. Towne, past president of the Los Angeles chapter of the hotel men's organization.

Towne states that delegates to the El Paso convention now in session are organized to battle for Los Angeles as the logical city to entertain the delegates at the annual assembly next year.

RED LINE AGAIN TRIMS CARFARE

New Commutation Rates to Bay District Ordered

Calendar Monthly Passes to be Sold for \$9

Announcement of Tests Made by State Board

Effecting another cut in rates on the Pacific Electric Railway lines between Los Angeles and Santa Monica, Ocean Park and Venice, the State Railroad Commission yesterday authorized the sale of calendar monthly passes at \$9 each for regular patrons.

The passes will be transferable and good for unlimited use by their bearers, according to Transportation Engineer McNaughton of the commission's staff, who made the announcement. They also will be honored on the local red car lines in the beach communities and in the inner zone in Los Angeles.

Sale of the passes will start the 30th inst., and they will be honored on and after July 1, next. The reduced rate compares with the present commutation fare of \$11.65, which does not include service on any local lines. The passes will be similar to those now in effect between Los Angeles and Pasadena. They have been authorized for an experimental period, July 1 to October 1, next, and if the financial results are satisfactory no doubt they will be made permanent and passes will be established on other lines, according to McNaughton.

Not only will the passes be good on the Venice Short Line, Sawtelle line, Hollywood-Venice line and local lines, but they also will be honored for transportation between Hollywood-Beverly Hills, Santa Monica, Venice and Culver City and all other intermediate points. However, they must remain in the possession of the holder during any one trip and will be honored for only one person on each trip.

The rates between the beaches and Los Angeles were cut recently by the commission the same time a reduction in interurban fares was ordered.

WORLD-TOUR PARTY NOW AT SUEZ, EGYPT
A cable to the D. F. Robertson Travel Bureau, 718 Eberhard Building, announces the arrival at Suez, Egypt, of the following Angelenos who sailed from Los Angeles April 16, last on the liner President Wilson, on a six months' tour of the world:

Mr. and Mrs. William N. Neff, Mr. and Mrs. S. F. Caggett, Mrs. Florence Endem, Mr. and Mrs. G. W. Given, Mrs. D. S. McEwan, Mr. and Mrs. I. W. Miller, Mr. and Mrs. J. S. Manthorn, Mrs. S. B. Pickett, Mrs. Cornelia B. Pollock, H. M. Snyder, Mr. and Mrs. C. B. Taylor, Miss Tillie M. Wolfman, Dr. and Mrs. C. M. O. Walters, and D. F. Robertson. On arrival at Naples the party will proceed by automobile through Europe.

38 YEARS IN LOS ANGELES

EAGAN QUASHE GRUNDY CHARGE

Prosecutor Will Not Present Case to Grand Jury

Police Procedure Loose, But Evidence Held Locking

Complaint of False Alibi Aired at Hearing

Criminal charges will not be presented by the grand jury against Eagan Quashe, member of the Eagan family, who charges he was taken upon an unexplained trip to the city, he had borrowed, Dep. Dist. Atty. Eagan in charge of grand-jury matters, announced yesterday.

"It is obvious that the police procedure in this particular case was not conducted in a proper manner," he said, "but there is not sufficient evidence to warrant grand-jury action."

Quashe was arrested upon an affidavit charging stealing \$5 from Eagan. When the case was brought up in a loose manner, Eagan testified about the case and issued it to the defendant.

Joseph L. Palmer, Grundy's attorney, then announced that he demanded a grand-jury investigation and Police Judge Dunham remarked that he would welcome such action.

When Mr. and Mrs. Grundy appeared at the Hall of Justice Tuesday to lay their information before the grand jury, Grundy was charged again by a Pasadena officer charged with issuing a check without sufficient funds. He was released on bond a few hours later.

Those who appeared before Eagan to answer questions yesterday were Eagan, Mrs. Grundy, Police Judge Dunham, Frank Freytag, court clerk, Police Chief Kelly, City Attorney Joslyn, and Officers Irish and Cook.

LADY DIANA IN ANOTHER LAW TANGLE
Film Writer Arraigned on Charge of Petty Theft in Check Case

Virginia Geraldine Hurst, also known as Lady Diana Burrell, residing at 11505 Rochester avenue, was again entangled with the law.

She was arraigned in Municipal Judge Westcott's court she was arraigned on a charge of petty theft, to which she pled not guilty. Judge Westcott set her trial for July 2, next, and fined her on \$500 bond.

The complaint, issued by Deputy Prosecutor Ida V. Wells, charged that Hurst, whose occupation is given as a film writer, with a check for \$15 to Mrs. E. C. Carver, 1548 Vista del Mar, in payment for a dress.

"Lady Diana" was before the Los Angeles courts in March, 1927, on charges of grand theft when she was accused of stealing an evening gown from Louise Fletcher, a Stoughton Fletcher, Hollywood banker. The charge was dismissed in Municipal court when the complaining witness failed to appear. Another complaint, charging her with stealing a diamond bar pin from Mrs. Emily Hurst, also was dismissed last month.

FULL TAX URGED
The school-board issue having failed to be authorized by the voters, Mrs. M. C. Cullen yesterday recommended to the City Council that full tax be imposed to raise money for additional schools.

EAGAN QUASHES GRUNDY CHARGE

Prosecutor Will Not Present Case to Grand Jury

Also Procedure Loose, But Evidence Held Lacking

Complaint of False Arrest

Charges will not be made by the grand jury against Eagan, who was arrested on the complaint of Grundy, member of a family, who charged he was arrested on a complaint of Grundy, who was charged with stealing \$5, which was later recovered. Deputy Eagan is in charge of the case.

It is claimed that the police procedure in this particular case was a loose manner. "But there is not sufficient evidence to warrant grand jury action."

Eagan was arrested upon an affidavit charging stealing \$5 from Grundy. When the case was brought up in Police Court, Judge Daily testified that he had no objection to the defendant. Grundy, Grundy's attorney, announced that he would demand a grand jury investigation and Police Judge Dunham said that he would welcome the case.

LADY DIANA' IN ANOTHER LAW TANGLE

Writer Arraigned on Charge of Petty Theft in Court Case

Gertrude Hurd, also known as Lady Diana Hurd, was arraigned yesterday in Municipal Court on a charge of petty theft. She was charged with stealing a diamond ring from a woman named Mrs. Daisy West. Judge West sentenced her to 30 days in jail.

Deal Upset Due to House Being on City's Land

Isabelle Scribner Pitts Hugh does not have to keep a beautiful home she bought in Altadena with three acres of the house and forty-seven feet of the yard on city property. This was the ruling yesterday of Judge Russell in the suit she brought against George C. Hester, who sold her the property for what she paid \$8000. The deal was made on February 26, 1927.

LATIN ARTISTS TO AID BENEFIT Film Folk to Assist Sanjuan Affair

Quartet of Celebrities to Make Appearance Among actors participating in the Hollywood Bowl fund-raising entertainment are, left to right, Lupe Velez, Dolores del Rio, Don Alvarado and Maria Alba.

THE forthcoming benefit concert to create funds to bring Pedro Sanjuan, noted Havana symphony orchestra conductor, to conduct at Hollywood Bowl, has interested Latin artists of the films, who will join in making the benefit at Philharmonic Auditorium next Tuesday night a success.

A meeting was held in the studio bungalow of Dolores del Rio, the Mexican actress, yesterday at which Lupe Velez, Dolores del Rio, Jose Crespo, Raquel Torres and Maria Alba were present. Plans for the affair were discussed and everybody pledged support.

Deal Upset Due to House Being on City's Land

Isabelle Scribner Pitts Hugh does not have to keep a beautiful home she bought in Altadena with three acres of the house and forty-seven feet of the yard on city property. This was the ruling yesterday of Judge Russell in the suit she brought against George C. Hester, who sold her the property for what she paid \$8000. The deal was made on February 26, 1927.

BANKER CHASES BANDIT IN AUTO

Inglenod Scene of Running Gun Fight

Three Deputy Sheriffs Hurt Dashing to Aid

Teller Hands Over Cash, Then Uses Revolver

There was a running gun fight in the streets of Inglenod yesterday afternoon between Thomas P. Lair, chief teller of the branch there of the Los Angeles First National Trust and Savings Bank, and a bandit who was in a machine after having forced him to turn over about \$500 in currency.

All was quiet in the bank at 2:30 p.m. yesterday when a lone customer sauntered in, walked up to Teller Lair's wicket and handed him a note.

"Give me all the \$10 and \$20 bills you have in the drawer," said the note, and as Lair glanced up he found himself looking down at a barrel of a revolver. "Be quick," threatened the bandit. Lair scooped up a handful of currency and handed it through the window.

WAR BEGUN ON DRUNKEN MOTORISTS

Judge Sentences Driver to Fifty Days in Jail as He Issues Warning

Classifying drunken automobile drivers as "potential murderers," and declaring that "I shall see to it that this court will do all that it can to make the highways safe from drunken driving," Municipal Judge Hardy yesterday launched a vigorous campaign against such driving on Los Angeles streets.

Judge Hardy sentenced Darwin Ulke, the first offender to come before him on such a charge since he replaced Judge Gray in Division Thirteen, to the maximum penalty under the ordinance covering his case, fifty days. Ulke was found drunk in an automobile at First street and Glendale Boulevard, Deputy City Prosecutor Jack charged.

PARTY LEAVES ON TOUR

Traveling in a special car attached to the Union Pacific's Gold Coast Limited, a party of Angelenos left yesterday for a tour of Europe. The party is under the supervision of Dr. Henry A. Flak. The car will arrive at Niagara Falls Monday morning and will continue to Canada, arriving there Tuesday morning. Arrival in New York is set for Wednesday when the party will board the steamer.

SETBACK LINE ORDERED

The City Council yesterday ordered established a fifteen-foot setback line on Curson avenue from Washington Boulevard to Adams street.

Family's Liking Causes Grief

Housewife Hurt by Blast as She Prepared Baked Potato Treat

The Landolt family, residing at 276 South Burlington street, is fond of baked potatoes, so Mrs. Myrtle Landolt, 21 years of age, planned to have the succulent tubers for dinner last night. She tried to light the gas stove, but it failed to function, so she decided to wait awhile before starting it again. When she next attempted it she discovered, too late, that the gas had not been turned off.

The explosion threw her across the room and resulted in serious burns on her hands and face. She was treated at the Georgia-street Receiving Hospital by Police Surgeon Sebastian.

HARBOR TO HOLD OPEN RATE MEET

Cargo Handling Policy Under Board's Control Will Be Discussed

An open meeting of the harbor committee to get opinions of all concerned on handling cargo at the port will be held in the meeting room of the harbor commission next Tuesday evening at 7 o'clock.

The subject will be: "Shall cargo handling on municipal wharves be franchised and rates for such services controlled by the Board of Harbor Commissioners?" The open meeting was decided by the committee as the quickest way to get the general view, following complaint to the harbor board by two firms of importers that agreements between certain stevedoring companies and steamship lines prevented open bidding on handling of cargo from ship to dock and made the charges higher than in San Francisco.

In referring the matter to the rate committee, the harbor commissioners had expressed the view that they were representing not only the port but also had to look out for the best interests of all firms using the port.

CITY AD CHANGE URGED

The placing of city legal notices of ordinance and other improvement proceedings in the community newspapers of the districts in which the improvements are proposed to be built was recommended to the City Council yesterday by Councilman Rice-Wray.

All the city's legal notices are now placed in one publication under annual bidding for this contract. The Councilman's suggestion was sent to the Public Works Committee.

POLY HIGH CLASS OF 65 ENDS STUDY

Largest Group in History of Institution Will Be Awarded Degrees

After four years of study, much of it done after having spent eight hours of adding figures, clicking a typewriter or following some other line of work in the commercial or trade world, sixty-five students of the Polytechnic Evening High School will be awarded diplomas tomorrow night in the school's auditorium.

Polytechnic Evening High School is one of the largest in the world from the standpoint of enrollment. It is the only evening high school in which a student may earn university credits.

HONOLULU FOLK SIGN FOR CRUISE

Contingent Will Visit All Latin America

City of Los Angeles Will Be Away 64 Days

Points of Genuine Historical Interest on Log

Forty persons in Honolulu have made reservations for the luxury cruise around and about South and Central American countries which will be sent out from Los Angeles October 8 aboard the Los Angeles Steamship Company flagship City of Los Angeles under the joint auspices and management of the Los Angeles Times and the Los Angeles Steamship Company. R. F. Cullen, general passenger agent, was advised this morning.

The forty from Honolulu will bring the total bookings for the all-Pacific Coast empire good-will cruise to approximately half the number to which the party is to be limited, 310. Cullen reports wide interest in the tour.

FIRESTONES GIVE LUNCH TO DEALERS

Father and Sons Express Wonder Over Southland; Leave for Visit North

Three hundred Firestone tire dealers from Southern California and Arizona were guests at a luncheon yesterday given by Harvey E. Firestone, president of the Firestone Tire and Rubber Company, and his three sons, Harvey S., Russell A. and Leonard Firestone at the Biltmore hotel.

Short talks by each member of the Firestone family and a motion picture of the company's plantation holdings in Liberia followed the luncheon. "We have tried to make the Los Angeles plant the last word in tire production in the world," said H. E. Firestone, "and this inspection convinces me that we have succeeded. Southern California with its growing industry and good roads, and with the surprising number of motor vehicles is the logical place for the location of our western plant."

"Although this is my first trip to Los Angeles and I had disconcerted many of the things said about Southern California as exaggerations, I find that accounts I had heard about this country do not begin to tell of the attractions of the Southland," declared Harvey S. Firestone, Jr.

ROCK PLANT BAN ORDERED

City Attorney Stephens was yesterday instructed to prepare an ordinance to prohibit the operation of rock plants in residential districts. Councilman Alber pressed for the ordinance in order to stop the operation of a rock plant at Brush Canyon in the Hollywood district.

USED FLOWERS OFFERED

George Alexander yesterday asked the City Council the adopt an ordinance prohibiting persons from using floral designs which have been placed on graves in making new floral pieces.

Home for Aged Dedication to Occur Sunday

Dedication of the \$30,000 Home for the Aged at 10548 Regent street, Palms, will be conducted at 2:30 p.m. according to announcement made yesterday by Mrs. Duke Gregory, State president of the King's Daughters and Sons, which organization built and will maintain the home.

A musical program and address by Dr. Hugh K. Walker, moderator of the Presbyterian churches of the United States; Dr. E. P. Ryland, secretary of the Church Federation, and other clergymen will feature the ceremony. The new home is nonsectarian. All present there are eleven. Later two additional units are to be built and aged men also will be provided with food and shelter.

SALARY SUITS DELAYED

Trial of the suits of John C. Ladd and Otto H. Hadden against City Comptroller Myers and others for salary asserted due them from October 11, 1927, to January, 1928, at the rate of \$750 per day was continued yesterday until July 10 by Judge Archibald. The complainants assert they arbitrarily were discharged from the Bureau of Power and Light on October 11, 1927, without cause and without a hearing and that their appeals to the Civil Service Commission for a hearing of their cases were denied.

USED FLOWERS OFFERED

George Alexander yesterday asked the City Council the adopt an ordinance prohibiting persons from using floral designs which have been placed on graves in making new floral pieces.

PEN POINTS

Even untrained delinquents get along all right. The boys instruct them.

It's hard to tell whether Bernard Shaw really earns money or just scorns it.

Still, very few of the big jobs are held by men who grew great by reading somebody's script.

If babies weren't going out in fashion, it would be only a matter of time until every baby would have a built-in spanking.

It's just as well that married men have no more clothes. They can hang just so much on the closet hook.

Note to loyal party men: In a general loosening up the cause is a landslide.

Let's be fair. People read the classics in the old days because they had nothing else to read.

It's true, son; crookshanks makes men rich. But you'll notice there's seldom a spare room in the jail.

Americanism: Cussing was street. Spending a few thousand dollars in an effort to outguess it. Cussing it with increased vigor.

All swellings are sensitive, but no other equals the sensitivity of a swelled ego.

If Hoover wishes to retain his reputation for go-get-us-in-need, we advise him to get out of his chair.

Speaking of big business, we cook buy butter at 50 cents, but we don't call herself a team company.

So it's your "duty" to be a kid? Would duty call so loudly if the kid weighed more?

Among the diseases that are a gradual softening of all that is prosperity.

Consume yourself these days with the reflection that greatness reveals itself in the poleon, Tunney or Lincoln, the ability to take a nap.

Alas! Willie, the cowboy, not always have a rope or gun in his hand. Usually he is a pitchfork or a shovel.

An English actor had a good short story. Another good way is to let into other people's affairs.

Correct this sentence: "memorizes much good." said she. "but he never people by reciting it."

Practice makes perfect. A man may be a perfect sauce without much practice.

A fool and his money are parted, but a fool and his money are more closely wedded.

Man may be woman's man in some things, but he isn't when it comes to a cardboard stopper from the milk.

RIPPING RHYME
Ole' Nigger

THE FIGHTERS

It's hard for one to estimate the fighting creatures. One fighter seems a winner, but not a raw beginner, the other predict he'll draw the money.

"Tunney," he is no minor, but a major; but if we're make no wagers, we'll see him next time on the floor.

We all assume that he is a fine old stager, but he is a fine old stager, but he is a fine old stager.

And then, when he is finished, upon an empty break and rainy, and the John L. in action, a man speed and force and speed.

And who lately called him a prize and a prize and a prize.

And he was equal to the task, and he was equal to the task, and he was equal to the task.

And he was equal to the task, and he was equal to the task, and he was equal to the task.

And he was equal to the task, and he was equal to the task, and he was equal to the task.

And he was equal to the task, and he was equal to the task, and he was equal to the task.

And he was equal to the task, and he was equal to the task, and he was equal to the task.

And he was equal to the task, and he was equal to the task, and he was equal to the task.

And he was equal to the task, and he was equal to the task, and he was equal to the task.

And he was equal to the task, and he was equal to the task, and he was equal to the task.

And he was equal to the task, and he was equal to the task, and he was equal to the task.

HENRY CASE ECHOED IN BOY'S SUIT

Young Process Server Asks Damages, Charging Attack by Defendant

Albert Preston Henry, wealthy retired Detroit manufacturer, who recently obtained a divorce from his wife, Mrs. Gertrude Henry, will again be in court, this time to defend a suit brought against him by Victor V. McLaughlin, a minor, asking \$1500 damages.

The case was called for trial yesterday in Judge Archibald's court and was continued until today.

Young McLaughlin asserts that on January 23, 1927, he was a student and that in order to earn money for school he worked as a process server.

According to the complaint, the boy attempted to serve Henry when his wife filed a suit for separate maintenance. He asserts Henry asserted himself in his house, then waited until 4:15 p.m. the next day, when he left by a rear exit, and started to leave in an automobile.

The youth asserts that he jumped on the running-board of Henry's car and attempted to serve him; that Henry got insolent, angry, beat him over the head and ended by drawing a revolver, whereupon he fled. He asserts he suffered a great mental shock and fright.

Henry in his answer denies beating the boy, asserting that when he jumped to the running-board of his car he merely "pushed" him in the face and off his car.

NAVY GIVE PERMITS FOR THREE LANDING

Revocable permits were granted to the Navy yesterday by the harbor board for the use of three landings at a rental of \$1 each year, on recommended by General Manager Cole.

The landings, already in use, are at the foot of Twenty-second street, Athletic field and the breakwater, San Pedro. The request for the leases came from Rear-Admiral J. S. McKean of the Eleventh Naval District, San Diego.

HEARING SET

Against the improvement of the harbor, a hearing will be held at the Municipal Building on July 26.

HONEYMOONERS GIVEN VACATION

Two weeks' vacation for a honeymoon was one of the first wedding gifts received by screenland's newest bride and groom, Fay Wray, actress and John Monk Saunders, film author. It came from Paramount studio.

The couple were married last Friday at Easton, Md., where Miss Wray is filming scenes for her first co-starring picture with Gary Cooper. The photograph is the first received in Hollywood since their marriage.

SCHOOL PLANS VESPER

The vespers service for the Hollywood High School graduating class will be given in the high-school Memorial Auditorium Sunday at 5 p.m. This service has been a tradition in the school for about twelve years.

The program is under the direction of the public speaking and music departments of the school. The baccalaureate sermon will be given by Rev. Dr. Stewart P. MacLennan at the First Presbyterian Church of Hollywood on Sunday at 11 a.m.

HANDLING OF OWN FUNDS TO BE ASKED

Civil Service Board to Request Vote by People on Charter Amendment

A committee consisting of Commissioners Mary J. Workman, George J. Stoneman and William A. Schneider, was appointed by the Civil Service Commission yesterday to wait upon the legislative committee of the City Council to request that an amendment to the city charter allowing the department to handle its own funds be balloted on at the next city election.

The commissioners complained that under the present system the department cannot get appropriations from the Council for needed equipment in its new quarters. Due to absence of desks and chairs, civil service examinations with a large number of candidates have to be given outside the ample quarters in the new City Hall. Recently 100 took the examination for City Hall janitors in the Manual Arts High School.

The commissioners pointed out that a balance of \$20,000 will have to be turned back to the general fund this year because it has not been used for the purpose for which it was appropriated.

Should the legislative committee comply with the request, yet to be presented, it was suggested the vote on the amendment might be held during the city and county primaries on August 28, providing other city matters might warrant the expense of separate ballots.

Husband Kills Self When Wife Heeds Film Call

Grieving, police believe, over the fact that his wife chose to return to work as an extra in motion pictures in preference to remaining with him, Arthur Witter, 38 years of age, shot and killed himself yesterday in his metal-plating shop at 5213 South Hoover street.

A boy employed in the shop, reported to G. B. Knapp, 1261 West Eighty-fourth Place, that he could not get in and could not locate his employer. Knapp entered through a window and discovered Witter's body on the floor.

Detectives from University Station said they were unable to locate his wife, but that neighbors reported she formerly was a motion-picture extra, and after considerable discussion with her husband, she decided to return to that work. Witter, they said, seemed to be brooding over her departure.

Question Box Will Be Opened

Taking his cue from questions submitted at his lectures, the great volume of which has precluded the possibility of answering in one afternoon, Dr. Philip M. Lovell, in his lecture of today at 2 p.m. in the Southwest Building, 129 South Broadway, will offer solutions.

Adopting the plan of the "great" good to the greatest number, the dietetic exponent of drugless healing will treat of those diseases mentioned by the greater number of queries, explaining their cause, effect, how to avoid and how to cure.

SOURDOUGHS TO REVEL

Old sourdoughs will congregate to renew old friendships and relive old experiences Saturday afternoon and evening, when the Alaska-Yukon Club picnic and rally will be held at Sycamore Grove Park. Basket supper will be on the schedule for 5 o'clock, with hot coffee, baked beans and sourdough bread supplied. The club registers are at the Hotel Rosslyn, Fifth and Main streets.

LOS ANGELES BOYS WIN SCHOOL PRIZES

A scholarship medal for scoring the highest academic average during the past year at the San Diego Army and Navy Academy at Pacific Beach, Cal., has been awarded to George Howard Abel, Jr., Los Angeles, it is announced by Col. Thomas A. Davis, president of the military school. Another Los Angeles youth, Frank Killien, Jr., was awarded the Hughes Cup for showing the greatest improvement in athletics. Col. Davis has announced that he will open offices in Los Angeles at the Hotel Alexandria Thursday, Friday and Saturday of this week, where he will meet with parents of boys who are planning to enroll them at the military school for the next term. The summer session at the academy opens July 5 and closes August 31.

HEARING POSTPONED

Consideration of the protests against the paving of Curson avenue from Melrose avenue to Beverly Boulevard was yesterday postponed by the City Council until August 30.

County to Guide Glendale Health

The County Health Department will take over the administration of health control in the City of Glendale, as a result of a resolution adopted yesterday by the Board of Supervisors, on the motion of Supervisor Bean.

The city and county will share the cost, each paying \$17,500 per year. Dr. Pomeroy, county health officer, will be in charge. Glendale is the largest municipality to make this arrangement with the county, several of the smaller towns having done so heretofore.

DRAIN PLAN FOREGOONE

On motion of Councilman Rick-Wray the ordinance authorizing proceedings for the construction of Section No. 6 of the Glendale-avenue storm-drain system was adopted by unanimous vote of the City Council yesterday. A protest signed by several thousand property owners had been filed against this project.

Here's the lure of Country Baking

MANY a man, in his younger days, has braved the heat of a barrel stove for bread like Old Home. There's a wondrous lure about fresh-baked bread from an old-time recipe, that men cannot resist.

Knowing this, thoughtful wives serve Old Home Bread at their tables. It has the taste of a lucky baking back home. It revives memories that inspire a chuckle. It is as satisfying and home-like as roast turkey and cranberry sauce. As so many men say, it hits the spot.

For the mighty appetites in your family, serve this loaf of baked-at-home goodness... Old Home, oven-fresh at your grocer's now.

SOCIETY

BY JUANA NEAL LEVY

Mr. and Mrs. Dan Murphy, who are enjoying a delightful sojourn at their summer home, Wynspray, Pebble Beach, near Monterey, have come to town for several days' stay at their West Adams-street home. Mrs. Murphy and Mrs. Murphy's sister, Miss Sue Sandoz, are at Pebble Beach, and the family will be domiciled there until late in the fall.

Home for Vacation

Miss Mildred Dabney Shearer, daughter of Mr. and Mrs. Charles T. Shearer of 436 South Alexandria avenue, returned last week by the Emma Alexander from Seattle, where she completed year at a junior in the University of Washington. She is an active member of the local chapter of the Alpha Theta sorority, and prominent in University of Southern California and Washington University activities. On her way home from the north she visited with friends in Oakland and San Francisco. Mrs. Shearer left the first of the week for Des Moines, Iowa, where she will pass several weeks. Her mother, Mrs. Ellen A. Dabney, will return to Los Angeles with her for an extended sojourn.

Nobody Loves a Skinny Woman

Gain pounds of weight in 3 weeks with new YEAST and IRON—or pay nothing

Folks are amazed at Ironized Yeast. They say it is 15 pounds are gained in 3 weeks! Skinny limbs covered with rounded, graceful flesh! Ugly hollows in shoulders filled up! Eyes sparkling with health. They ask—how does Ironized Yeast work so quickly? Ironized Yeast is two tonics in one—weight-building Yeast and strengthening Iron. The yeast is the same used in making malt, and which makes malt so beneficial.

This Yeast is treated with pure vegetable iron in the same as spinach, lettuce and celery. In this form, iron is easily assimilated by the body, making rich, red blood and toning up nerves and muscles.

Only when Yeast is Ironized in this way is it more effective—for iron is needed to bring out the weight-building, strengthening value of yeast. This special formula, combined with yeast, gives you results in half the time required by yeast alone.

If you are underweight, nervous, or tired, you need Ironized Yeast. Start it today. Absolutely harmless. Pleasant-tasting tablets in this form, iron is easily assimilated by the body, making rich, red blood and toning up nerves and muscles.

Go today to any drug store and get a full size treatment of Ironized Yeast. Be delighted with the same used in making malt, and which makes malt so beneficial.

Do not upset the stomach nor cause gas or bloating.

she will pass several weeks. Her mother, Mrs. Ellen A. Dabney, will return to Los Angeles with her for an extended sojourn.

Eastern Traveling
Miss Emmie H. Parsons and Mrs. W. B. Bartlett are traveling together in the East, visiting with old friends. They reached New York early this week, and while Mrs. Bartlett returns home in about a month, Mrs. Parsons will remain, besides a brief stay in the city, on the beautiful Maine coast.

Her sister, Miss Alice K. Parsons, plans to join her in the East before long.

Delightful Affair
In honor of Mrs. Oliver Converse Bryant, chairman of the banquet and luncheon committee for Hollywood Bowl Association, Mrs. Leland Albertson Irish, general chairman of the Bowl, will be hostess at tea in the patio of Garden Court Apartments tomorrow afternoon.

Mrs. Bryant will be the official hostess for the Bowl at a series of eight rehearsal breakfasts in the Bowl grounds during the summer, each one given in honor of one of the eight visiting guest conductors. The rehearsal breakfasts will introduce a distinctly new note into Bowl activities this season.

They will be held at the breakfast hour in the open tea gardens of the Bowl. Following this the guests will be invited to listen to a short talk by an authority on the program to be rendered, and will then repair to the morning rehearsal of the orchestra in the Bowl grounds.

Members of Mrs. Bryant's committee who will be among Mrs. Irish's guests today include Mrs. Oliver Converse Bryant, Mrs. Henriette Beach, Mrs. Benjamin Bledsoe, Miss Helene P. Bryant, Mrs. George Curtis DeCarmo, Mrs. Lillian B. Goldsmith, Mrs. C. H. Hartke, Mrs. H. H. Kerckhoff, Mrs. M. Knox.

Mrs. Everett B. Latham, Miss Therese Levy, Mrs. Harry S. McCormack, Miss Margaret Phillips, Mrs. Orville L. Routh, Miss Antoinette Sabel, Mrs. William E. Silverwood, Mrs. Frederick B. West, Mrs. Myron Westover, Mrs. Robert Wankowski, Mrs. W. J. Lawless, Mrs. J. Wells Smith.

Rece Luncheon
Honoring the re-elected president of the Matinee Musical Club, Mrs. Paul C. Heydenreich, a lovely rose luncheon will be served at 1 p.m. today by Mrs. Mae Shumway Enderby, recording secretary of the club, at her apartment in the Bryson, Wilshire Boulevard.

The motif will be simply carried out in garden roses, with favors hand-made chiffon handkerchiefs in rose containers. Place cards will suggest the rose idea. The luncheon will follow the regular board meeting to be held in the main lounge room of the hotel.

Covers will be laid for Mrs. Heydenreich, president, and Mrs. James Henry Ballagh, founder of the club, and board members, including Mrs. Lillian Bowles, William Kirtley Chambers, Leland Moore, Arthur R. Hewitt, Dee J. Brown, Maud Fenlon Bollenman, Frank Desmond, William S. Dakin, J. H. Heidt, Frank Suttle, George Davidson Gilmore, Frank Peterson, Mary Link Evans and Edna L. Shaw.

Mrs. Heydenreich and board members will be guests of the Hollywood Bowl Association for the special pre-Bowl season luncheon at the Bowl Saturday noon.

Last of Musicals
Mrs. Emma Loeffler de Zarba of 503 South St. Andrews Place has issued 100 invitations for Monday

afternoon, the 25th inst., for her last of this season's musicale salons, which she has been giving fortnightly during the year. A program will be given by artists and the affair will be a compliment to Myrtozshad, world-famous Hungarian pianist, and visiting friends, Dr. and Mrs. George Edgar Paddistford of Tampico, Mex. The Lamba chapter of Phi Beta sorority, a professional musical group of the University of Southern California, will aid, besides a bevy of students from the studio of the opera of Mme. De Zarba.

Lindberger-Dutcher
One of the interesting events of the past week was the marriage of Miss Gladys Lindberger, formerly of Santa Barbara, to Allen Dutcher, formerly of Portland, Or., which was solemnized the 17th inst. at the home of Rev. Willis A. Luce, 960 Los Robles avenue, Pasadena, a friend of the bridegroom's family for many years. The home was decorated with bouquets of apricot and the archway under which the bride party stood was a bower of ferns and daisies.

The bride wore a traveling ensemble of beige georgette with accessories of a harmonious shade of blue, and carried a beautiful bouquet of shell pink roses tied with a huge tulle bow. She was assisted by her friend, Mrs. George Lamaraux, as matron of honor. Frank Iverson was best man.

After the ceremony Mr. and Mrs. Frank Iverson of Le Parc avenue, Beverly Hills, entertained the guests in their home at a wedding breakfast. Among the guests were Mrs. Garnet Stockton, Mrs. Frances Appleton, Miss Isabelle Ballard, Paul Dutcher, George Lamaraux, Fred Phelps and Henry Field.

Ben Voyage
Mrs. Lillian Backus was the charming hostess at a bon voyage party at the Deauville Beach Club honoring Mr. and Mrs. Dell Schweitzer, who will leave shortly for a trip through the Panama Canal; Mr. and Mrs. Dan Arbuthnot, and Mr. and Mrs. R. S. Brydon, who are sailing for an extensive tour abroad. Other guests were Judge and Mrs. Walter Guerin, Mr. and Mrs. W. P. Freeman, Mr. and Mrs. George Girard and A. L. Wightman.

Felicitations
Mr. and Mrs. James H. Van Law of 4473 Wilshire Boulevard are receiving felicitations upon the birth Thursday, the 14th inst., at the California Hospital of a son who has been named James Harvey Van Law, Jr.

Mrs. Van Law before her marriage was Miss Gertrude Kice, and is the daughter of Mr. and Mrs. Murray Kice of 4473 Wilshire Boulevard. Her marriage took place a year and a half ago while she was visiting in Florida with her family, although Mr. and Mrs. Kice have made their permanent home here for the past eight years. They are formerly of Louisville, Ky.

Think It Over
Groceries can frequently be bought at a discount in large quantities. However, it is well to consider whether storing will affect the article and whether or not the storing will prove more expensive in the long run than if bought in smaller quantities and being certain of fresh goods.

Thorough Rinsing
The laundress whose clothes are clear and fresh in color is the one who rinses until the water is perfectly clear. Good rinsing is every bit as important as good washing.

Marlborough Senior Girls Hostesses

MISS LONE LOUISE BUXTON

AN ATTRACTIVELY planned affair of the week was the dance with which Miss Lone Louise Buxton, daughter of Mr. and Mrs. Lynn O. Buxton of Beverly Hills, entertained last evening, the affair taking place at the Uplifters Rancho clubhouse and more than 250 guests having been bidden.

Miss Barbara Burgwald of Hollywood and Miss Virginia and Dorothy Haworth were co-hostesses at the party and all of them were seniors at Marlborough School this last year and were graduated from there last week.

THE NEW

IN STORES AND HOMES

NOVELTIES, IDEAS AND PRACTICAL SUGGESTIONS

By Olive Gray

It was at a counter where

shoppers were seeking their

grandmother prints for patch-

work, now so popular. "I am

teaching my two little girls

to sew patchwork," said the

lady, "as my grand-daughter

taught me. Each evening

they make so many squares

thereby learning to sew and

to feel themselves partners in

home-making; while at the

same time it produces the

aimless running around which

seems to be the only occupa-

tion of so many school chil-

dren at present."

Asst. Jane's Way

Back East where housewifery

more usual than here, Aunt

always judged a new way by

presence or absence of a friend

her kit. "A girl who is friend-

with the thimble," said the

home-making instinct."

Bridal Gown Economy

The more elaborate wedding

gowns, which have come in the

present season, although they

lavish in appearance, than those

several seasons past, are, in re-

turn to the more economic

these habiliments. With the

which may, after the wedding

be detached, the bride wears

dress well suited for many oc-

casions, both formal and informal.

dress it is, in effect, econom-

ize quite into the future of the

ness, thus affording at a single

the price of several.

New Baitles

Time was when a baby's

was most commonplace; simple

globe or square or other geo-

cal affair of celluloid, enamel

or other material. But at present

HEALTHY DIET

By Dr. Frank M. Cox

ENERGY FROM THE SUN

All of our energy comes from the

sun. Most of our muscular force

comes from the food we eat. This

food which feeds upon plants, and

plants require the sunshine to

grow and to store food material.

Only plants have the property of

using the radiant energy in such a

way that they convert carbon di-

oxide into carbohydrates, and ab-

sorb nitrogen from the soil.

Not only the energy in our food

comes from the sun, but every

force in the world, such as burn-

ing coal, exploding gasoline, and

electricity, can all be traced to the

sun's force.

The most astounding effect of the

sun is its effect on the human

body. We have in a slight degree

some ability to use the sun's rays

directly in much the same manner

that the plant does. A lack of sun-

light will produce a lessened num-

ber of red corpuscles and a lack of

coagulation in the blood. A lack of

sunlight also causes an increase in

the fluid part of the body and in

the white blood cells, producing dis-

eases known as leukemia and

anemia.

The sun's rays also aid in our

assimilation of calcium and some

fatty substances. The treatment of

sunbathing is especially recom-

mended in anemia, tuberculosis,

rickets, asthma, cancer, chronic

constipation, nephritis and diabetes.

One of the handicaps of modern

civilization is that we have em-

phasized the idea of modesty to such

an extent that we wear too much

clothing. Consequently, these life-

giving rays of the sun are com-

pletely shut off from our bodies ex-

cept on the face and hands. Physi-

cians have attempted to produce an

artificial light which can be ap-

plied to the body. This light pro-

duces ultra-violet rays, and has

been attended with some success,

but the most satisfactory result

comes from using the direct sun-

light, since there seems to be some

unknown energy in the sunlight

that is lacking in the chemical ul-

tra-violet rays.

When taking a sun bath, either

in the nude or at the beach, one

should always bear in mind the

fact that an overdose of these rays

is injurious. Most people have the

mistaken belief that if a little sun-

shine is good a good deal will be

better. Sunshine is, of course, very

dangerous, as the pores become so

swollen and injured by the burn-

ing up in one sweep and the result

is that a proper elimination of

poisons from the body cannot take

place. Be careful not to be sun-

burned today, because this is the

longest day of the year.

A small amount of sunburn like-

wise affects the body in a propor-

tionate manner. Even the faintest

glow on the skin is injurious as

long as it lasts. It is, therefore,

much better to measure your sun

RADIO ACTIVITIES

From Broadcasting Stations to Receiving Sets

MARIE ZENDT IN KHJ DEBUT

Swedish Soprano Booked to Sing Tonight

Reading Will be Given for Blind Veterans

License Revocation Cases Set for July

BY DR. RALPH L. POWER

A special treat is in store for radio fans between 7:30 and 8 o'clock tonight when Marie Zendt, famous Swedish soprano who will appear at the Shrine Auditorium next Saturday night, is to be before the microphone of KHJ, the Don Lee station, in a half-hour feature program arranged by Arthur Kay, music director of KHJ.

On the same program will be a variety quartet, Maude Darling Weaver, contralto, and Fritz De Bruin, baritone, while the KHJ orchestra has arranged a series of interesting numbers.

This will be followed by "The Cartoonists' Hour" from 8 to 9 o'clock, featuring Robert Willard, cartoonist, who has turned to radio as a medium of expression after many years of work with pen and ink. Willard and Kay have prepared a group of surprises for this hour.

A variety program will be broadcast between 9 and 10 o'clock and will include a violin solo by George Klass, organ solo by Wesley H. Tourtellot, Ivan Edwards, tenor, and Olivia Hutchinson, coloratura soprano, in solo; a mixed quartet, a string ensemble, special instrumental combinations and orchestral numbers.

This morning's period will be featured between 11:30 o'clock and noon by special reading by Mother Spencer for the blind veterans in the government hospitals near Los Angeles. Dr. Philip M. Lovell opens the day with his physical culture period, followed by a special "Good Morning" program presented by the Anti-Foxel harmony team and their assistants, followed by "The Early Birds," then late recordings and then Dolly and her "Have You Ever Heard?" hour.

Following her will be Agnes White, who will speak first on ornaments and decorations in the home. After a musical intermission she will discuss "What the Well-Known Artist Will Wear." Following this, she will discuss the proper treatment for stubborn children.

Comparatively few stations are expected to contest decisions of the Federal Radio Commission revoking their licenses. It is indicated following studies of the situation in the field by members of the commission. Several of the commissioners have visited their districts to survey conditions and also to learn how the recent order citing 162 stations to show reason why they should not be deleted has been accepted. Operators of several stations, in consultation with the commissioners, have indicated their willingness to relinquish their broadcast privileges and two stations, WFLJ of New York, and WJLA of Cambridge, Mass., have written to the commission, voluntarily offering to surrender their licenses.

Among the 162 stations cited to show cause July 9, next, why their licenses should not be revoked, are several of high power which have been operating steadily, and it is probable that the operators of these stations will seek judicial review of any decision of the commission cutting them off the air. The majority of the stations involved, however, are low-powered installations operating for only a few hours each week or intermittently and it is not expected that they will make any trouble.

CHEF WYMAN'S Suggestions for

TOMORROW'S MENU

Every Tuesday and Friday at 2 o'clock Mrs. A. L. Wyman will conduct a free class and demonstration of good cooking in the lecture room of the Southwest Building, 136 South Broadway.

Breakfast

Sliced Peaches
Shirred Eggs in Bread Cases
Raisin Bread Toast
Jelly
Milk

Luncheon

Spanish Leaf
Tremont Salad
Butterscotch Pie
Tea

Dinner

Cucumber Purée
Salted Nuts
Baked Potatoes
Broiled Tomatoes
Italian Salad, French Dressing
Strawberry Flan
Coffee

SHIRRED EGGS IN BREAD CASES

Take thick slices of stale bread about three inches square, cut off the corners and remove the centers, leaving just a thin crust of the bread on the bottom, butter, all over, brown a nice brown in the oven; remove from the oven and drop an egg in the center of each toast crust. Remove from oven when the egg is set. Cover with chopped parsley and pour around a tomato sauce.

BUTTERSCOTCH PIE

The yolks of two eggs, beaten lightly with a scant cupful of dark brown sugar, cream one tablespoonful of butter with two tablespoonfuls of flour and add to the yolk mixture, mix smooth; and add gradually one cupful of rich milk; place in a double boiler and cook until thick, stirring constantly. Let cool slightly, flavor with one teaspoonful of vanilla, and pour into

CUCUMBER PURÉE

Peel three large cucumbers, and drop into cold water. Whole; sauté a medium-sized sliced onion in two tablespoonfuls of melted butter until slightly brown; chop the cucumbers fine and add to the cooked onion, cook for two minutes longer, add a dash of celery salt, a few grains of cayenne pepper, and four cups of milk that has been scalded, simmer for a few minutes, thicken with a roux made of four and butter, strain, serve in cups with a tablespoonful of whipped cream and a dash of paprika.

STRAWBERRY FLAN

Cook strawberries in a thick syrup until they are tender; but do not let them lose their shape. Cover individual pie tins with a rich crust and bake. Line the crust with the strawberries, placed around in even rows, pour over the thick syrup, place in a hot oven for a few minutes, then remove and let cool and chill.

FREMONT SALAD

Arrange hearts of lettuce, on each salad plate chop up an equal amount of preserved figs and English walnut meats. Place in the center of a heart of lettuce, garnish with a rosette of salted whipped cream. Serve with a French dressing highly seasoned with paprika.

Mrs. Wyman does not reply to letters, but requests for recipes are answered in the department. Write to Nancy Page, care of the Times, enclosing a stamped, self-addressed envelope for leaflet on "Child Care."

What Have We Here? Puzzles Management

How to express in terse form the character of the programs at the Belmont Theater has turned out to be quite a problem, according to the management. The Belmont is the only theater in Los Angeles offering a full stage play on the same bill with a first-run feature picture.

If the Belmont adopts the slogan, "Movies and Speakes," it will be thought that one of the various forms of voice-reproduction is used—which is not the case, as the play is presented by a cast of flesh-and-blood actors, in person. Even the phrase, "spoken drama," is susceptible of misinterpretation, since the casual reader may, again, think it refers to "canned drama."

If the advertisements read: "On the stage," and give an unfamiliar title, he who runs may think the offering is a "prologue" of the song and dance variety, or a one-act playlet. On the contrary, "New Toys," this week's play, is a former New York success, by Milton Gropper and Oscar Hammerstein II, which has its first Los Angeles showing on this bill, with Opal Cotton and Anthony Smythe heading the cast.

There is less chance for misunderstanding about the picture, which is a world premiere of Belle Bennett and Montagu Love in "The Devil's Skipper," with Mary McLeod, Arthur Cullen Landis, Gino Corrado and others.

The Belmont's present bill closes Friday night.

VINCENT TOTALS ROLES

Actor Participates in Many Dramas During Four Years

Young Allen Vincent, who is to play his original role of Charles Parkman in "Spread Eagle," the drama which Edward Everett Horton and his company are to present at the Vine Street Theater Sunday night, in the four years since he made his debut on the stage with Doris Keane in "Romance," has played enough parts to fill the fortunes. Most recently Allen appeared in Los Angeles with young Douglas Fairbanks in "Saturday's Children" at the Belasco Theater.

Two Sheets Are Cooler Than One Sheet and Quilt
By Florence Le Gault

Joan was staying with her "dear Grandma Lee" as she always called her. She had not been allowed to see Aunt Nancy for some days and felt quite forlorn, but Grandmother promised her a trip to the shore. Joan grew so excited over the prospect that she did not want to sleep or eat or play. Grandmother told her that as soon as she had taken one more afternoon nap and one more whole night's sleep they would be ready to start.

The house was warm and close. Joan kicked and squirmed when put to bed. Finally the maid took off the blanket and summer quilt and made the bed with three sheets. First came the under sheet, then two sheets were used to cover her. There was coolness because of the air between the two top sheets. Grandmother Lee had learned this little thing at the hospital.

At night she put Joan to bed herself. She told her a story about the sea shore and a mermaid who lived just off the coast. As she told the story Joan seemed to feel the splash of the waves as they crept near the mermaid's home. Finally it was the coolness which came from the sheet near the window which she really felt. Grandmother dipped a sheet in cold water, wrung it out dry and then suspended it over a clothes horse near the open window. The evaporation helped to cool the bed and room.

Grandmother knew some other things to do to make children well and happy. Write to Nancy Page, care of the Times, enclosing a stamped, self-addressed envelope for leaflet on "Child Care."

Collegiate Hit Closes Tonight

"Harold Teen," the ultramodern collegiate comedy, which has been so popular with all patrons, young and old alike, at Loew's State this week, will have its last showing at that theater tonight, as will Fanchon and Marco's stage presentation "Spangles."

Mystery, thrills and the tense atmosphere of the underworld furnish the background for Milton Sills' new picture "The Hawk's Nest," which will be the new screen feature tomorrow.

Sills has a remarkable characterization as "The Hawk," mysterious leader of the underworld, who is feared and respected even by his enemies. There are gang wars, "gyp joints," night clubs and fights between rival factions of the underworld in this strange underworld drama.

Several screen villains are also seen in the cast, including Montagu Love, Mitchell Lewis, Stuart Holmes and Sojin. Doris Kenyon has the feminine lead as the beautiful cabaret dancer.

On the stage, Fanchon and Marco will present their "hottest idea"—"Hi-Yaloo," featuring a colorful array of "Blacks and Tans" including the Four Covans, who have just returned from a tour of Australia; Evans and Weaver, buck-and-wing dancers; Dick Saunders and Marguerite Jones and sixteen Creole beauties.

Fencers Travel to "Ken-Geki"

Admirers of physical prowess, including star athletes, military instructors and expert fencers, are trooping to Hollywood to marvel at the sword plays of the Japanese Imperial Theater Players in "Ken-Geki," at the Music Box Theater.

The Nipponese actors and actresses, including leading stars of the Japanese stage, are playing a farewell engagement this week for Caucasian audiences.

Each masculine member of the cast of thirty-two players is an expert swordsman, and it is stated that the average actor will up to the hilt the heavy, two-handed blades could escape serious injury to the stage presentations, so fast is the action in the dramas.

PASTORS STOP BEAUTY PARADE

Unexpected Opposition Hits Valley Celebration

But Whole Section Hears of Proposed Festival

Church Chairs Obtained to Seat Resultant Throng

SAN FERNANDO, June 20.—Bathing beauties of the San Fernando Valley met in competition here tonight and exhibited their charms and ability as swimmers at the Coliseum Plunge. But that was all. The all-day fiesta planned by a local newspaper in conjunction with the management of the plunge, the high light of which was a parade of the contestants this afternoon, was stopped before it began by order of the City Council.

Management of the event organized the contest, offered prizes and advertised the affair throughout the valley with no thought of official interference. The result is a much-divided town and world's of free publicity for the contest. Every person in the city and many in the valley took sides until it was found that the ordinary seating capacity at the Coliseum was inadequate for the attendance. Three hundred chairs were rented of the Methodist Church to provide for the large crowd which completely filled every inch of room at the bathing resort.

At the meeting of the City Council last night the matter of a parade permit came up and was discussed with every active opposition was evident. Rev. A. D. Butters of the Methodist Church, E. A. Wills, pastor of the Church of Christ, and "Battling" Smith, in charge of the local church of the Four Square Gospel, were present. Leading a crowd of churchmen who voiced the opinion that such an attraction would be detrimental to the moral welfare of San Fernando. Spontaneous action was taken and a vote of the council was taken to refuse the permit. The council was divided 12-12, with the result that when Mayor Delahue last night called for the parade permit, he was met by a deadlock.

Members of the council and the city fathers, however, the management of the contest immediately announced that the parade would be staged in the evening instead of the afternoon. Hearing of this, the city fathers immediately changed their minds and the parade was permitted to go forward.

Victim Sought in Early-Morn Shooting Fray

GLENDALF, June 20.—Hospitals and doctors today were requested to be on the lookout for anyone who sought treatment for bullet wounds, following a mysterious shooting at Los Feliz and San Fernando roads 3 a.m. Officers, who hurried to the scene, found five empty shells from a revolver on the sidewalk and residents of the neighborhood, who were questioned by Detective Lieutenant Charles P. Blake, declared that they heard a man cry out that he had been shot.

The shooting occurred at the intersection of Los Feliz and San Fernando roads, where a car was driven north on Los Angeles street immediately following the shooting. Sgt. Manning and Patrolmen Johnson and Moore combed the district at the first alarm but were unable to find anyone who appeared to have been implicated.

BODY HUNT ENDS

Man Disappears Into Brushland To Make Good Suicide Threat

GLENDALF, June 20.—Search for Joseph Burgen, 4577 Caledonia Way, Los Angeles, ended here last night, when a party, led by Mrs. R. H. Gibbons and her son, Robert, of 1820 Marion Drive, Mrs. A. V. Mingo, 1516 Marion Drive, and Clair Allen, 1721 Marion Drive, found Burgen's body in the brush on the hills southeast of here.

The Highland Park police station had notified the Glendale officers that Burgen had disappeared from his home and that he had declared his intention to end his life with poison. Sgt. S. C. Hamilton found that Burgen's body was just across the city limits in Los Angeles and notified the Highland Park station, in whose territory the body was found, to take charge of the case.

WOMAN'S CLUB TO INSTALL OFFICERS

CAHUENGA PARK, June 20.—Mrs. Francis Bacon will be installed tomorrow night as president of the Valley Vista Woman's Club, at a meeting that will be the last of the present club year. Mrs. Mary J. Curran will act as hostess to members. Other officers are Mrs. Hazel Holmes, vice-president; Mrs. Gertrude Middleton, secretary; and Mrs. Gladys Pfahler, treasurer. Mrs. Howard Troffer of Van Nuys will act as installing officer.

Young man to learn electrical business. Room and board while learning. Small fee required. 4006 S. Figueroa. —Advertisement.

Homing Pigeon Carries Safety Whistle

Lieut. Ray R. Delahue and Pigeon. The bird is equipped with a Chinese whistle, attached to its tail feathers. The whistle, though extremely large, in proportion to the bird's body, is lighter than the feathers.

OLD CHINESE TRICK USED

Ancient Type of Bamboo Siren Protects Winged Message Carriers From Enemies of Air

ONTARIO, June 20.—No longer need carrier pigeons fear their enemies of the air. They carry their own whistles with which they frighten away hawks and other birds, which have found it easy to kill the pigeons or otherwise hamper them in their flights of service. Considerable experimenting is being done by Lieut. Ray R. Delahue, signal corps reserve officer and Pacific Coast pigeon expert, with the carrier pigeons in his loft here in teaching the birds to fly with the large whistles attached to their tail feathers.

According to Delahue the pigeon whistle is an ancient Chinese invention, used by the orientals simply for the noise made as the birds sped through the air. They also recognized the value of the whistles in frightening away falcons. Lieut. Delahue lost several of his prize pigeons to hawks while they were flying with messages. He furthered the idea of placing the Chinese whistles to practical use, and is achieving success in teaching his prize birds to fly with the whistles attached to their tails.

The whistles seen large for a pigeon to carry, but they are made of an exceptionally light variety of bamboo, they weigh no more than the feathers of the pigeon itself.

While in annual session with the Signal Corps, Ninth Corps area at the Presidio, San Francisco, last week, Lieut. Delahue released six homing pigeons for their loft here.

The birds were equipped with the Chinese whistles and whistles they would home in the same time they would without the burdens, according to Delahue. The six birds were from the lofts of Robert Church and Almon Carr, two Charley Union High School boys.

The birds are direct descendants of "Belle," one of the foremost War hero pigeons, who carried fifty-two important messages from the front line trenches to the American Army headquarters in France.

BURNS FATAL TO CLAREMONT WOMAN

CLAREMONT, June 20. (P)—Mrs. Helen Pinney, 54 years of age, who suffered severe burns last night when her clothes caught fire from a stove in her home, died this morning in a hospital here.

Mrs. Pinney is survived by two sons and three daughters, Hugh, a college sprinter and sports writer, Kenneth, Elizabeth, Mrs. Herbert Woodward, and Walter F. Adams of North Carolina.

LICKLEY TO SPEAK

ARCADIA, June 20.—Members of the Foothill Breakfast Club at their meeting tomorrow morning will hear Dr. E. J. Lickley, City Prosecutor of Los Angeles. A distinguished guest in the Southland, Matt Lauder, brother of the famed Sir Harry Lauder, will give Scotch entertainment and others on the program will be the Los Angeles Police Quartet.

JUDGE ASKED TO RESIGN

Dissention Between Dunham and Court Clerk Adds to Controversy Raging About Magistrature

PASADENA, June 20.—The Board of City Directors, through its spokesman, Director Robert L. Daugherty, has suggested to Police Judge Frank C. Dunham that he resign, after several weeks between Judge Dunham and his court clerk, Frank Freytag, Dunham has charged that Freytag usurped his authority and caused him unending embarrassment in the performance of his duties.

In police court today, Judge Dunham declared that Prosecutor John W. Joylin and other court officials seemed to think that the court was a firm stand on honor violations. Judge Dunham's friends stated that for many months, he has been attacked by bootleggers who have attempted to get his scalp because of the high fines he has assessed against them.

Controversy is said to have been

WELL-DRESSED BODY IN WASH

Murder Theory Offered as Identity is Sought

All Marks and Papers Out of Man's Clothing

Finding of Pistol Points to Suicide Trust

ONTARIO, June 20.—Local and county police today joined in an effort to determine whether a well-dressed man found last night in a wash northeast of here was the victim of a murder plot or took his own life. Efforts to establish identity of the man were unavailing today.

No marks or papers were found on the body from which the authorities might begin the task of unraveling the mystery. The body was found in a field south of Highland avenue and one mile east of Etiwanda avenue. A party of hunters, crossing a field, discovered the body.

A bullet hole was found in the head. The body was lying face down on an overcoat, the right hand beneath the body with a revolver clutched in the fingers. The bullet hole in the head led to the theory of suicide but as it was almost impossible today to tell whether the revolver had been fired, the possibility of murder was not discounted.

Deputy Sheriff J. A. Larson of Cucamonga and Deputy County Coroner Ernest Ralph investigated the find and had the body removed to Draper's mortuary. It was said that the body had been in the field for a month. Condition of the clothing indicated that the victim had been well to do. The investigators found a handkerchief, a watch, a pair of glasses in the man's pockets.

RUBIDOUX PASSES AT RIVERSIDE

Scion of Famous Family in Southland Succumbs in County Poorhouse

RIVERSIDE, June 20. (P)—Louis Rubidoux, scion of the family which settled St. Louis in 1791 and founded St. Joseph, Mo., a few years later, today lies dead in the county poorhouse here.

He died yesterday at the age of 95 years. A victim of ill-fortune for the last half-century, the aged man two years ago sought admittance to the poorhouse of the county where he had lived for many years.

Rubidoux's father, Louis, Sr., became known as the "first colonizer" through his concession to parcel out his land to incoming Americans. He went to California in 1846 and settled in St. Joseph, Mo., where he was a partner in the bank of the Santa Ana River, still remain and are marked by a bronze tablet.

Louis Rubidoux, Sr., was a son of Joseph Rubidoux, who with three sons, took a French grant from Napoleon in 1791 and settled in St. Louis. He was a partner in the bank of the Santa Ana River, still remain and are marked by a bronze tablet.

Louis Rubidoux, Sr., was a son of Joseph Rubidoux, who with three sons, took a French grant from Napoleon in 1791 and settled in St. Louis. He was a partner in the bank of the Santa Ana River, still remain and are marked by a bronze tablet.

OFFICIALS DEDICATE CULVER ROLLERDROME

CULVER CITY, June 20.—Festive dedication exercises were staged today at Culver City for the new RollerDrome, a skating palace to be opened soon on Washington Boulevard at Washington Place, just west of the business section of Culver City.

Chester Park Crawford, president of the new institution and veteran impresario of roller skating, was officially welcomed to Culver City by Henry Stern, president of the Chamber of Commerce; D. O. T. Rochford, executive secretary of the same organization; and Mayor Reeve Houck. The evening of the 29th inst. has been tentatively set as the opening date.

FIRE CHIEF ON VACATION

VAN NUYS, June 20.—Battalion Fire Chief Otto Schmucker of San Fernando Valley and his family have departed for the Valley of the Moon in the San Bernardino Mountains, near Lake Arrowhead, for a summer vacation. While away Chief Schmucker will erect a new cabin on his mountain property.

SAITON SEA MAY BECOME RESORT

BRAWLEY, June 20.—Saiton Sea is becoming a popular resort for sports fishermen. Plans disclosed in a letter from W. H. Shelby of the State Fish and Game Commission to the Brawley Chamber of Commerce, indicate that the commission will soon have data to determine the species of fish which may be expected to thrive in the brackish waters of the inland sea. The sea is to be stocked and a careful check made to determine the adaptability of fish selected to local conditions.

CHATS WORTH, June 20.—Funeral services and interment for H. D. Tinker, 80 years of age, were conducted in Oakwood Cemetery, with Rev. George Reeves of the Van Nuys Christian Church in charge of the ceremony. Mr. Tinker met his death on Ventura Boulevard and Sepulveda Boulevard when he was struck by an automobile driven by E. H. Dyer as he attempted to cross the highway. A coroner's jury brought in a verdict of accident.

LOREIMERS TO MAINE

REDLANDS, June 20.—Graeme Loreimer, son of the editor of the Saturday Evening Post and head of the journalism department at the University of Redlands, has left for his summer home in Maine. Loreimer is a member of the staff of The Country Gentleman and writes regularly for that publication.

CHILD BUMPS HEAD, DIES

Brain Hemorrhage Follows Trivial Accident at Drinking Fountain at Alhambra Church

ALHAMBRA, June 20.—Striking her head on a drinking fountain when she raised up quickly after stooping to pick up her handkerchief, Clare Sheldon, 11-year-old pupil at the community vacation bible school, received an injury yesterday which resulted in her death in a Los Angeles hospital late last night. An autopsy was performed today and death attributed to a hemorrhage of the brain.

Clare, the daughter of Mr. and Mrs. Chester C. Sheldon, 130 North Granada, attended classes at the First Methodist Church yesterday. About 11 a.m. she went to a drinking fountain outside the building and when she returned her classmates saw her rubbing her head and heard her say that she had gotten a bump. She resumed her work, apparently not badly hurt.

When she reached home for lunch she complained of a headache and doctors were summoned. Her condition rapidly grew worse and she was removed to Los Angeles, where she died several hours later.

MINSTREL STAR DIES AS SUICIDE

Ill Health Blamed for Death of Stage Favorite by Hanging at Ranch

BRAWLEY, June 20. (P)—Calvin A. Terwilliger, former member of Terwilliger Brothers, minstrel foot-light stars, committed suicide by hanging at his ranch yesterday.

The body was found by Mrs. Terwilliger when she returned from a visit with a neighbor. Harry A. Terwilliger, brother of the man who hanged himself yesterday, also committed suicide by hanging in Santa Ana about two years ago when he was found with a pistol wound in his head.

Calvin Terwilliger suffered a nervous breakdown at the time of his husband's death and had been in poor health since that time. His wife said that she believed ill health was the cause of his act.

Fear of blindness had prompted the other brother, Harry, to hang himself. He had been told by doctors that he would be blind within a year, and that he did not wish to become a charge to his family. Both men had long been residents of Imperial Valley.

WOMAN HANGS SELF AT POMONA HOME

POMONA, June 20.—Despondent over the ill health of both herself and her husband, Mrs. Coleman, 45 years of age, committed suicide at 9 a.m. today by hanging. Arthur Coleman, the husband, who is an invalid and police officer, had gotten out of bed about 9 o'clock to get his breakfast. He arose to find his wife hanging from a light rope hung from the upper hinge of a door leading to a side porch from the living room. He called the doctor and summoned a physician who pronounced the woman dead.

The doctor found no signs of poisoning or other cause of death. He explained the woman's act and no preparations for the morning meal had been made. Coleman stated that he had been ill and unable to work for three months, and that his wife had also been in poor health. Both were expected to die tomorrow at the Todd & Reeves Mortuary.

PARENT-TEACHER BODY SEATS NEW OFFICERS

ARCADIA, June 20.—Newly elected officers of the South Santa Anita Grammar School Parent-Teacher association were installed yesterday at a meeting of the organization. They are Mrs. Ralph W. Ross, president; Mrs. Z. T. Pettit, vice-president; Mrs. E. R. LeMelle, secretary; Mrs. M. Marjorie Adams, corresponding secretary; Mrs. Alice Brals, financial secretary; Mrs. J. J. Treasurer, and Mrs. Fred Meilin, auditor.

Committees appointed by Mrs. Ross were: Public relations, Mrs. B. C. Roy and American citizenship, Mrs. Mabel Scheele. Mrs. E. R. LeMelle, superintendent of P. T. A. assembly, stressing the importance of supervised and organized play for children.

FRUIT GROWERS TO MEET FOR BARBECUE

SANTA ANA, June 20.—In Orange County Park Saturday, the fruit growers of the county will gather for a day of games, features, dancing and a general good time. The barbecue and picnic are being given by the Fruit Growers Association of Orange County, in charge of food and the entertainment will be supplied by the Watsonville firm which has sent announcements to hundreds of people connected with the citrus industry throughout Southern California.

VETERAN CONSTABLE GET FINAL SUMMONS

SOUTH PASADENA, June 20.—William H. Johnston, for thirty-two years a resident of this city and constable and deputy sheriff here for the last twelve years, died today in the South Pasadena Hospital following a short illness.

Johnston lived at 630 Monterey Road, and was 70 years of age. He leaves a widow, Mrs. Mary Johnston. Funeral services will be held Friday at 9 a.m. at the Holy Family Church.

MONROVIA CHURCHES UNITE FOR SUMMER

MONROVIA, June 20.—Union Sunday night services to take place during the month of July and August were announced today by the Ministerial Union. Services will be held in the open-air auditorium of the first program beginning July 1, at 8 p.m.

The first program will be patriotic with the theme of July and August. The first Methodist Church of South Pasadena, as the principal speaker, Dr. Orice will talk on "World Peace."

TRY THIS ON YOUR PILLOW

Man Goes to Sleep on Left Arm and Millman Finds Him in Predicament

GLENDALF, June 20.—Louis Gray, 433 West Colorado Boulevard, last night sought slumber with his left arm beneath his head. When he woke up about 3 a.m. he found that his shoulder had slipped out of joint and he had to wait with what patience he could until B. H. Kelley, driver of a milk wagon, came along.

Gray called Kelley and explained the situation, and Kelley called police. Sgt. E. A. Manning took Gray to the Glendale Medical Group, where the dislocated shoulder was pulled back into place, and escorted him home to bed again.

Bathing Girls as Waitresses

MONROVIA LEGION IN HIGH PLACE

Gem City Veterans Get Citation for Meritorious Service to Community

MONROVIA, June 20.—Certificate of citation for distinguished service in the community was presented to Monrovia American Legion post 44, during a special session last night at the hall of the Legion. The citation was presented by the board of directors of the Legion, presided over by the post commander, Ted Lavson, first vice-commander, presiding over the session, received the certificate on behalf of the post. The certificate was awarded by the State and the local post has the distinction of being tied with Pasadena for first place in the nation for the distinguished service award, scoring 900 of a possible 1000 points.

Legion officials from all parts of the State were guests at the meeting. A class of candidates was initiated.

Among speakers and distinguished guests of the evening were: Chester Turner, commander of the Los Angeles County Council; Daily Staff, Los Angeles municipal judge and past commander of the council; Judge Samuel Blake of the Los Angeles municipal court; Dr. A. D. Houghton, San Fernando, one of the founders of the national American Legion; and other distinguished guests.

The only two to be elected to the board of directors were: the board of directors of the Legion, presided over by the post commander, Ted Lavson, first vice-commander, presiding over the session, received the certificate on behalf of the post. The certificate was awarded by the State and the local post has the distinction of being tied with Pasadena for first place in the nation for the distinguished service award, scoring 900 of a possible 1000 points.

Valley Tries Peanut Crop

HOLTVILLE, June 20.—If experiments being conducted at the Arthur Palmer ranch near here this season prove successful, extensive plantings of Spanish peanuts will be made next season and a new agricultural industry started in Imperial Valley, according to plans discussed by the owner today.

Palmer, who is a Pasadena realty dealer, has eighty acres in peanuts this year, got a 75 per cent stand and, according to government reports in peanut culture, has prospect of a good crop. If the venture is profitable Palmer plans to grow 400 acres of tubers next year, and install machinery for harvesting and processing the crop.

REDONDO GETS READY FOR SUMMER INVASION

REDONDO BEACH, June 20.—Elaborate preparations are being made by the Pacific Electric Railway Company for the opening of the summer season here on the 23rd and 24th inst., according to announcement today by W. A. McCommond, general agent of the company's resort department.

Workers have been in the bathhouse installing new stairways, new showers, new toilets and carrying out many other improvements, including painting. The bathhouse contains three pools, a dressing room, a changing room, a swimming pool, a P. T. A. assembly, stressing the importance of supervised and organized play for children.

Fishing is a popular sport both from the pier and in the harbor. The picnic grounds in the municipal park and on the water front are equipped for large and small parties.

There will be band concerts every Saturday, Sunday and holidays, novelty vaudeville acts on Sundays and holidays and a special children's matinee in the Mandarin Ballroom every Wednesday afternoon.

PLAN HEALTH SCHOOLS

REDONDO BEACH, June 20.—Summer health schools for this district of the County Health Department will open on July 2, and will be conducted here and at Hermosa Beach. Co-operation of city officials and the South grammar school property for a civic center and another for \$45,000 for Santa Paula Creek protection and flood control, carried by a large majority. The civic center bonds carried five to one and the creek bonds nearly seven to one.

BOND ISSUES CARRY AT SANTA PAULA

SANTA PAULA, June 20.—With only 44 per cent of the voters at the polls, both of the bond propositions, one for \$50,000 to purchase the South grammar school property for a civic center and another for \$45,000 for Santa Paula Creek protection and flood control, carried by a large majority. The civic center bonds carried five to one and the creek bonds nearly seven to one.

WRECK TRAGEDY DEEPENS

Mother in Pennsylvania Too Destitute to Claim Body of Son Killed at Ontario

ONTARIO, June 20.—Tragedy of the death of Joe Pastula of Wilkes Barre, Pa., killed when a Southern Pacific freight car, on which he was riding, was derailed west of here early Tuesday morning, was intensified this morning when Chief of Police Arley received a telegram from the Pennsylvania city telling that the boy's mother had been located there but that she is in such destitute circumstances it is impossible for her to claim the body.

Pastula was caught beneath a pile of heavy timbers as the freight car was derailed and was crushed to death. An hour's time was required in extricating the victim from the body, conducted by Deputy County Coroner Dennis Ralph, who had no one to blame for the tragedy. The freight cars were derailed by a broken rail.

A Day With Southern California's Junior Olympic Representatives

FOUR fleet and stalwart young athletes, the creme de la creme of 25,000 Southland schoolboys who competed in the Junior Olympic trials in this district, will represent Southern California next month in the Junior National Olympic championships in Atlantic City, where the Junior National Olympic champions will be named. In both the junior and senior divisions of schoolboy competition Southern California's representatives far excel the champions of last year. Johnny Falcon, Azusa, this year's high point man in the senior division, scored a total of 655 points as against the total of 591 piled up by last year's champion, while the best junior, Jerry Deal, Los Angeles, shows 600 points as against the total of 544 for the high point junior of 1927. The other two youngsters, Mike Pina, senior, and Rex Heap, junior, San Bernardino's crack young athletes, are also far ahead of the champions in their divisions last year. The page show the youthful Southland representatives in training.

25,000 BOYS
 started in the Junior Olympic competition in Southern California three months ago. They represented more than
400 SCHOOLS
 and other organizations located in the nine Southern California counties. After district and county competition they gradually were eliminated until about 100 boys were left to compete in the Southern California finals.
 Of that number four seniors and a dozen juniors broke the records made by the 1927 national champions and the four boys whose pictures are shown on this page were chosen to compete against the pick of the rest of the country at Atlantic City on July 11.

MINOR MOORE SEEKS SENATE

Los Angeles Attorney Will Run as Democrat

Support of Gov. Smith for President Given

Under Dam Success to Be One of Objectives

During the Indorsement of Democrats in Northern California.

Minor Moore, Attorney at Law, and a member of the California Bar, announced today that he will run for the United States Senate in 1928 as a Democrat.

Moore, who is a native of Los Angeles, has been practicing law in this city for many years. He is a member of the California Bar and has been active in the Democratic Party.

Moore's indorsement of Governor Smith for President is a significant step in his political career. He has also expressed his interest in the success of the dam project.

Moore's political aspirations are well-known, and his announcement today marks a new chapter in his life. He is expected to be a strong candidate for the Senate.

Moore's announcement has received widespread attention in Los Angeles and throughout the state. He is seen as a promising young leader in the Democratic Party.

Moore's announcement is a testament to his dedication to public service. He is committed to the success of the Democratic Party and the state of California.

Moore's announcement is a significant event in the political landscape of Los Angeles. He is expected to be a strong candidate for the Senate.
